Lost Mines And Treasures Of The Southwest

James Frank Dobie

Lost Mines And Treasures Of The Southwest:

Dig Here! Thomas Penfield, 2004 The most amazing treasure book ever written giving the locations of well over 100 fabulous fortunes waiting to be found in the ore rich Southwest Thomas Penfield has done years of exhaustive research for *Dig Here* and has accomplished the Herculean task of separating fact from fiction For the first time lost treasure stories of the Southwest are stripped bare of their legends and lies Each treasure account is preceded by the approximate location estimated total value and authentication Reading sources for each account are also included so you can do additional research on the intriguing stories of these treasures *Dig Here* is overflowing with lore spellbinding backgrounds driving Western drama and exciting reliable facts *Lost Mines and Treasures of the Southwest* Jimmie Busher, 1975

Southwest Traveler - Lost Mines and Buried Treasure Edward Rochette, 1992-10-01 Throughout the Southwest stories of hidden lost stolen and unreachable gold and other treasures fill curious minds But where are they And what exactly did happen This book not only tells the tales it includes a map to show the way **Coronado's Children** J. Frank Dobie, 2010-06-28 This is the best work ever written on hidden treasure and one of the most fascinating books on any subject to come out of Texas Basic Texas Books Written in 1930 *Coronado's Children* was one of J Frank Dobie's first books and the one that helped gain him national prominence as a folklorist In it he recounts the tales and legends of those hardy souls who searched for buried treasure in the Southwest following in the footsteps of that earlier gold seeker the Spaniard Coronado These people Dobie writes in his introduction no matter what language they speak are truly Coronado's inheritors I have called them Coronado's children They follow Spanish trails buffalo trails cow trails they dig where there are no trails but oftener than they dig or prospect they just sit and tell stories of lost mines of buried bullion by the jack load This is the tale spinning Dobie at his best dealing with subjects as irresistible as ghost stories and haunted houses As entrancing a volume as one is likely to pick up in a month of Sundays The New York Times Dobie has discovered for us a native Arabian Night Chicago Evening Post **Coronado's Children** James Frank Dobie, 1991-09-01 Bonded Leather binding **Lost Gold and Silver Mines of the Southwest** Eugene L. Conrotto, 1996-01-01 Handy guide to long lost mines rich veins of ore silver lodes buried treasure other bonanzas awaiting discovery Descriptions of each treasure general locale maps more 96 maps over 50 other illustrations *Coronado's Children* James Frank Dobie, 1980 **Lost Mines** Robert William McAllister, 1953

Oklahoma Treasures and Treasure Tales Steve Wilson, 1989-05-01 Contains stories some true some legendary about caches of lost treasure *Coronado's children* James Frank Dobie, 1953 **Lost Mines of the Great Southwest** John Donald Mitchell, 1933 Who doesn't like stories of lost mines and hidden treasures especially in lovely Arizona It is a delight to go there for any reason but to go there to hunt for gold silver and semi precious stones is high adventure even today **Lost Mines and Buried Treasures of Arizona** W. C. Jameson, 2010-01-19 Arizona's history is liberally seasoned with legends of lost mines buried treasures and significant deposits of gold and silver The famous Lost Dutchman Mine has lured treasure

hunters for over a century into the remote treacherous and reportedly cursed Superstition Mountains east of Phoenix Gold and silver bars discovered in Huachuca Canyon by a soldier stationed at nearby Fort Huachuca just before World War II remain inaccessible despite years of laborious attempts at recovery Outside the town of Yucca bandits eager to make a fast getaway buried a strongbox filled with gold unaware they wouldn't survive the pursuit of a law enforcing posse to recover their plunder And somewhere in the Little Horn Mountains northeast of Yuma lies an elusive wash containing hundreds of odd gold filled rocks Selected from hundreds of tales passed down from generation to generation since the days of the gold seeking Spanish explorers the tales included here are among the most compelling that Arizona has to offer **Coronado's children** James Frank Dobie,1971 *Coronado's Children* James Frank Dobie,1930 **Lost California Treasure** W. Craig Gaines,2023 Tales of California's buried treasures lost mines and hidden loot From the Pacific Ocean to the eastern Sierra Nevada Mountains California is bursting with rumors of lost riches Sunken cargo from the steamship Brother Jonathon is rumored to still be out there awaiting discovery as well as the location of the famous lost Breyfogle Mine Outlaws like Three Finger Jack and Joaquin Murrieta were said to have stashed their loot while evading law enforcement and Sir Francis Drake's English pirates buried treasures all along the coast Deep underground and underwater a bounty waits for some lucky prospector Join author W Craig Gaines as he unearths stories of legendary and historic lost treasures yet to be found in the Golden State Buried Treasures of the American Southwest W. C. Jameson,1989 Collects legends and lore of buried treasure in the American Southwest with maps showing locations Buried Treasures of the South W. C. Jameson,2006-02-28 This fifth volume in W C Jameson's Buried Treasure series contains 38 tales gathered from the breadth of the American South Eight states are included Georgia North Carolina South Carolina Virginia Tennessee Alabama Louisiana and Mississippi **HSA Texana Auction Catalog #6003** Sandra Palomino,2008-05 American Regional Folklore Terry Mood Leopold,2004-09-24 An easy to use guide to American regional folklore with advice on conducting research regional essays and a selective annotated bibliography American Regional Folklore begins with a chapter on library research including how to locate a library suitable for folklore research how to understand a library's resources and how to construct a research strategy Mood also gives excellent advice on researching beyond the library locating and using community resources like historical societies museums fairs and festivals storytelling groups local colleges newspapers and magazines and individuals with knowledge of the field The rest of the book is divided into eight sections each one highlighting a separate region the Northeast the South and Southern Highlands the Midwest the Southwest the West the Northwest Alaska and Hawaii Each regional section contains a useful overview essay written by an expert on the folklore of that particular region followed by a selective annotated bibliography of books and a directory of related resources **Lost Texas Treasure** W. Craig Gaines,2022-07-11 Track pirate gold and misplaced riches across 168 counties in this comprehensive guide to the lost treasures of Texas Countless fortunes have disappeared into the vast expanse of the Lone

Star State The history of the coast is cluttered with shipwrecks like that of the 1554 Spanish fleet Even when pirates such as Jean Laffite managed to get their ill gotten gains ashore their loot vanished just as completely as if it had sunk beneath the waves Entire mines including the ventures of Jim Bowie and San Saba Presidio have been reclaimed by the earth The unmarked caches of bandits like Jesse James and Pancho Villa still bedevil the dreams of treasure seekers today W Craig Gaines reveals what has been lost what has been found and what remains to be recovered

As recognized, adventure as competently as experience about lesson, amusement, as skillfully as covenant can be gotten by just checking out a ebook **Lost Mines And Treasures Of The Southwest** furthermore it is not directly done, you could take even more approaching this life, almost the world.

We have enough money you this proper as without difficulty as simple way to get those all. We have the funds for Lost Mines And Treasures Of The Southwest and numerous ebook collections from fictions to scientific research in any way. along with them is this Lost Mines And Treasures Of The Southwest that can be your partner.
