Lost Teachings Of Jesus:

The Lost Teachings of Jesus, Book 1 Mark L. Prophet, Elizabeth Clare Prophet, 2020-01-01 Unmistakable evidence that many of Jesus teachings were altered deleted or never recorded In their classic series The Lost Teachings of Jesus Mark L. Prophet and Elizabeth Clare Prophet prove that many of Jesus original teachings are missing They show that the New Testament records only a fragment of what Jesus taught That what was written down was tampered with by numerous editors or suppressed by guardians of the faith And that some of what was recorded has been misinterpreted to this day The authors fill in the gaps with a bold reconstruction of the essence of Jesus message They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples In modern vernacular they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message And they answer questions that have puzzled readers of the Bible for centuries

Lost Teachings on Your Higher Self Mark L. Prophet, Elizabeth Clare Prophet, 1988 In Book 1 of their Lost Teachings of Jesus series Mark L. Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus original teachings were lost In Book 2 they go one step further They show how early churchmen aided and abetted by the Roman emperors Constantine and Justinian distorted Jesus true teachings And robbed you of what he wanted you to know about the power of your own inner Christ In modern vernacular parable and story the Prophets provide the missing links They explain the difference between Jesus and the Christ They show how the Church's doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation And they explore how Eastern concepts like karma reincarnation and chakras can be found wrapped in the mysteries he gave the disciples Most importantly they recapture the heart of his message that you like Jesus can reconnect with your Divine Source to realize your full potential

Lost Teachings on Finding God Within Mark L. Prophet, Elizabeth Clare Prophet, 1993 How to put

the teachings of Jesus into action to meet the challenges of life today Includes effective techniques to access the creative power of the higher self **The Lost Teachings of Jesus: On the Sacred Place of Women** Alonzo L. Gaskill,2023-02-14

The wife and the mother are the inappreciable treasures given unto you by God They are the fairest ornaments of existence and of them shall be born all the inhabitants of the world In the late 1800s a Russian explorer discovered another record of Christ s life and teachings guarded for centuries by the leaders of a monastery in Tibet Ancient traders recorded their experiences with Christ and His teachings and brought these records to India The explorer reported that these words were remarkable for their character of divine grandeur and were sublime words from the Master Himself Alonzo Gaskill presents this extra biblical text in which Christ expounds the divine role of women in the gospel and the family This book will help expand your appreciation and respect for women and their sacred part in God s plan **The Lost Teachings of Jesus** Mark

Bütz, 2005-01-25 Reveals the true role of James the brother of Jesus in early Christianity Uses evidence from the canonical Gospels apocryphal texts and the writings of the Church Fathers to reveal the teachings of Jesus as transmitted to his chosen successor James Demonstrates how the core message in the teachings of Jesus is an expansion not a repudiation of the Jewish religion Shows how James can serve as a bridge between Christianity Judaism and Islam James has been a subject of controversy since the founding of the Church Evidence that Jesus had siblings contradicts Church dogma on the virgin birth and James is also a symbol of Christian teachings that have been obscured While Peter is traditionally thought of as the leader of the apostles and the rock on which

Jesus built his church Jeffrey B tz shows that it was James who led the disciples after the crucifixion It was James not Peter who guided them through the Church s first major theological crisis Paul s interpretation of the teachings of Jesus Using the canonical Gospels writings of the Church Fathers and apocryphal texts B tz argues that James is the most overlooked figure in the history of the Church He shows how the core teachings of Jesus are firmly rooted in Hebraic tradition reveals the bitter battles between James and Paul for ideological supremacy in the early Church and explains how Paul s interpretations which became the foundation of the Church are in many ways its betrayal B tz reveals a picture of Christianity and the true meaning of Christ s message that are sometimes at odds with established Christian doctrine and concludes that James can serve as a desperately needed missing link between Christianity Judaism and Islam to heal the wounds of centuries of enmity
