The Missing Twin Rita Herron, 2011-06-07 Detective Caleb Walker had taken on some tough cases for Guardian Angel Investigations but when Madelyn Andrews came to him claiming that her five year old daughter was able to communicate with her twin sister who d never made it home from the hospital Caleb was skeptical One glimpse at the beautiful single mother though and he couldn't walk away Now as he looked into what had really happened when Madelyn went into labor suspicious details were uncovered Details that prompted Madelyn to cling to him as pain consumed her And the deeper he dug the more invested Caleb became in their tiny family in their safety when danger penetrated their lives and in their salvation when he promised to bring a little girl home The Lost Twin D.W. Harper, 2015-02-01 The saga continues as twins Kayla and Layla deal with the unexpected suicide of their mother Alice Her many years of lies and deception have torn apart their once devoted family and she has left behind the twins to deal with her trail of destruction It is a long and difficult year for the girls Their efforts to unburden their family and mend the outfall of distrust prove futile and they soon find themselves struggling with their devotion towards one another As the special twin bond between the sisters is ripped apart Layla feels compelled to do something desperate to stop that from happening The Twin Enigma Vivienne Lewin, 2018-05-08 The book offers a unique in depth understanding of the twin relationship and the way in which twin development is affected by our attitudes to twins and our enduring fascination with them It explores our historical fascination with this subject and the origins of this excitement how our perceptions of twins reflect our own longing for a perfect soul mate and the effect this personal projection has on the development in twins It is a book written with the general reader in mind rather than experts Twins share a deep psychic bond that forms the core of their twinship but they are never identical Many factors will affect their development including the early mutual resonances and sensate experiences between them and parental and societal attitudes in raising them The Missing Twin Rita Herron, 2011-06-01 Detective Caleb Walker had taken on some tough cases for Guardian Angel Investigations but when Madelyn Andrews came to him claiming that her five year old daughter was able to communicate with her twin sister who d never made it home from the hospital Caleb was skeptical One glimpse at the beautiful single mother though and he couldn't walk away Now as he looked into what had really happened when Madelyn went into labor suspicious details were uncovered Details that prompted Madelyn to cling to him as pain consumed her And the deeper he dug the more invested Caleb became in their tiny family in their safety when danger penetrated their lives and in their salvation when he promised to bring a little girl home Twin and Triplet Psychology Audrey Sandbank, 2003-09-02 Information on the special needs and natures of twins and multiples is often difficult for professionals to obtain Twin and Triplet Psychology fills this gap helping professionals to be better equipped to offer advice to parents and twins alike Examining the psychology of twinship throughout the lifespan the book includes chapters on twins in utero temperament development and inter twin behaviour before and after birth antenatal and postnatal

The answers to these and other questions constitute the core of this book which also includes around fifty testimonies that enable us to listen firsthand to the multiple manifestations that result from the experience of being a lone twin Loss and What it Taught Me About Living Tracey Corbett-Lynch, Ralph Riegel, 2022-10-06 Murder cancer Covid 19 an asthma attack and heart attacks Tracey Corbett Lynch has encountered loss in all its guises and has had to learn how to cope with life at its most difficult and overwhelming In Loss and What It Taught Me About Living Tracey describes these tragic losses their impact on her and how she learnt to live alongside them with strength and grace She recounts how she coped when it all seemed too much to bear and looks at how we can emerge from suffering forever changed by loss but filled with optimism No two grief journeys are the same but as Tracey discovered some of the stations along the route are Her moving and uplifting story will offer comfort practical advice and a ray of hope to anyone suffering their own loss whatever that might be **Attachment Volume 3** Number 2 Joseph Schwartz, Kate White, 2009-07-30 Attachment New Directions in Psychotherapy and Relational Psychoanalysis is a leading edge journal for clinicians working relationally with their clients It is a professional journal featuring cultural articles politics reviews and poetry relevant to attachment and relational issues an inclusive journal welcoming contributions from clinicians of all orientations seeking to make a contribution to attachment approaches to clinical work an international journal open to ideas and practices from all countries and cultures and a cutting edge journal with up to date briefings on latest developments in neuroscience relevant to psychotherapy and counselling Articles Trees in Shades of Grey Trauma Attachment and Dissociation in the Personal Clinical and Socio Political Settings by Asaf Rolef Ben Shahar Attachment Issues Associated with the Loss of a Co twin before Birth by Althea Hayton Supervision A Space Where

IIM COGLEY,2014-04-22 What we don't know can still deeply affect us This book contains groundbreaking material that expands the horizons of self awareness For many people it has implications that are enormous and far reaching It is a medical fact that more than one in eight people began their journey into life not on their own They had a wombtwin or were part of a multiple pregnancy It is a medical fact that for every set of twins born at least one in five were triplets There is ever increasing evidence that the memory of this early loss can be carried through life as a form of psychological trauma that has previously been unrecognized and usuallymisdiagnosed. The symptoms of having

experienced loss in the womb or shortly after include A sadness and sense of loss that persists A loneliness that eats into the bones A difficulty with close relationships A burden of guilt that is irrational A black hole that nothing can fill A tendency towards isolation A creativity that is stunted A difficulty with letting go A search that is endless A depressive mentality A restlessness of spirit A poor sense of self Whether the twin loss took place during the first few months in the latter stages of the pregnancy during or after birth the symptoms seem to vary very little Could this be you or someone that you know If so this book could shed light on the mysterious world of what it s like to be a wombtwin survivor and point the way towards healing and recovery Here are the stories of so many who discovered the key to the mystery that had plagued them all their lives Written in language that is easily understood the steps towards identification and resolution are clearly outlined Here is a book that could truly change your life It could be the most important book you will ever read Sociobiological Perspectives on Human Development Kevin B.
