Lost Twin:

The Missing Twin Rita Herron, 2011-06-07 Detective Caleb Walker had taken on some tough cases for Guardian Angel Investigations but when Madelyn Andrews came to him claiming that her five year old daughter was able to communicate with her twin sister who d never made it home from the hospital Caleb was skeptical One glimpse at the beautiful single mother though and he couldn't walk away Now as he looked into what had really happened when Madelyn went into labor suspicious details were uncovered Details that prompted Madelyn to cling to him as pain consumed her And the deeper he dug the more invested Caleb became in their tiny family in their safety when danger penetrated their lives and in their salvation when he promised to bring a little girl home **The Lost Twin** D.W. Harper, 2015-02-01 The saga continues as twins Kayla and Layla deal with the unexpected suicide of their mother Alice Her many years of lies and deception have torn apart their once devoted family and she has left behind the twins to deal with her trail of destruction It is a long and difficult year for the girls Their efforts to unburden their family and mend the outfall of distrust prove futile and they soon find themselves struggling with their devotion towards one another As the special twin bond between the sisters is ripped apart Layla feels compelled to do something desperate to stop that from happening The Twin Enigma Vivienne Lewin, 2018-05-08 The book offers a unique in depth understanding of the twin relationship and the way in which twin development is affected by our attitudes to twins and our enduring fascination with them It explores our historical fascination with this subject and the origins of this excitement how our perceptions of twins reflect our own longing for a perfect soul mate and the effect this personal projection has on the development in twins It is a book written with the general reader in mind rather than experts Twins share a deep psychic bond that forms the core of their twinship but they are never identical Many factors will affect their development including the early mutual resonances and sensate experiences between them and parental and societal attitudes in raising them The Missing Twin Rita Herron, 2011-06-01 Detective Caleb Walker had taken on some tough cases for Guardian Angel Investigations but when Madelyn Andrews came to him claiming that her five year old daughter was able to communicate with her twin sister who d never made it home from the hospital Caleb was skeptical One glimpse at the beautiful single mother though and he couldn't walk away Now as he looked into what had really happened when Madelyn went into labor suspicious details were uncovered Details that prompted Madelyn to cling to him as pain consumed her And the deeper he dug the more invested Caleb became in their tiny family in their safety when danger penetrated their lives and in their salvation when he promised to bring a little girl home Twin and Triplet Psychology Audrey Sandbank, 2003-09-02 Information on the special needs and natures of twins and multiples is often difficult for professionals to obtain Twin and Triplet Psychology fills this gap helping professionals to be better equipped to offer advice to parents and twins alike Examining the psychology of twinship throughout the lifespan the book includes chapters on twins in utero temperament development and inter twin behaviour before and after birth antenatal and postnatal

influences on family relationships twins with special needs the death of a twin twins in secondary school and adolescence **Hidden Twins** Olivia Lousada, 2018-03-26 This book finds itself being part of the rising tide of interest and investigation into the nature of relationship experience for siblings same sex twins and opposite sex twins It illuminates adult opposite sex twinship that has been undervalued and even hidden **Twins** Fred Goodwin,2000-02 Diary of a Lone Twin David Loftus, 2019-09-05 A heart rending memoir of love loss and the unique relationship twins share More than thirty years ago David Loftus s cherished identical twin John passed away Ever since a day hasn t passed without David feeling the loss In 1987 after recovering from a brain tumour John contracted meningitis and found himself back in hospital for treatment David as always was by his side They were opening their twenty fourth birthday presents when a fatally miscalculated routine injection forced John into a coma He died within two weeks Over the past year David has spent an hour every day remembering John and recording his story by hand Diary of a Lone Twin is the product of that daily ritual a powerful and deeply personal account that covers everything from enchanting and charmingly evoked childhood vignettes to the acute loneliness and raw pain that followed John s death In sharing this beautifully written diary award winning and internationally acclaimed photographer David Loftus provides a rare insight for anyone who wishes to understand the bond between identical twins and the unique bereavement of a lone twin that few people will ever experience Bighorn Mountains Ken Keffer, 2017-05-15 From short scenic day trips to multi day backpacking excursions Hiking Wyoming s Bighorn Mountains covers dozens of trails throughout the region including lands of the Bighorn National Forest the Cloud Peak Wilderness Area as well as surrounding state and federal lands Written by outdoor enthusiast and author Ken Keffer Hiking Wyoming's Bighorn Mountains takes new and veteran hikers alike through the beautiful alpine lakes and wilderness of northern Wyoming The Unsinkable Titanic Allen Gibson, 2012-02-28 Delving deep into Titanic s legacy Allen Gibson presents a comprehensive history with a refreshing argument that Titanic represented a considerable achievement in maritime architecture He determines the true causes of the disaster telling the story of the unsinkable ship against a backdrop of a tumultuous and rapidly emerging technological world. The book exposes the true interests of the people involved in the operation regulation and investigation into Titanic and lays bare the technology so dramatically destroyed Juxtaposing the duelling worlds of economics and safety this study rationalises the mindset that wilfully dispatched the world s largest ship out to sea with a deficient supply of lifeboats Using original material this fascinating book explores not only how the sinking occurred but also examines the significance and allure of Titanic as well as boldly establishing a future for the wreck itself **Entwined Lives** Nancy Segal, 2000-04-01 Twins are nature s living laboratories Through them we are able to uncover new information concerning the genetic and environmental factors affecting who we are Studies using identical and fraternal twins hold the keys to understanding our intellectual abilities personality traits social attitudes and behavior In Entwined Lives Dr Nancy Segal brings together cutting edge information with illustrative case histories of twins

and their families In addition to the fascinating stories of identical twins reared apart and reunited as adults Dr Segal provides insights into the unusual language patterns of twins how twin studies affect legal decisions the role of fertility treatments in twin and twinlike conceptions and more This groundbreaking book explores the ways in which twins enhance our knowledge of human behavioral and physical development while shedding new light on the nature nurture debate and on the burgeoning field of evolutionary psychology The living twin Peter Bourguin, Carmen Cortés, 2024-06-11 Did you know that many people who are born as a single child began life accompanied by a brother or sister that died during pregnancy and vanished leaving no trace whatsoever And did you know that the frequency which this occurs is amazingly high It s a well known fact verified by science for some decades now that a 10% of babies who are born started their life as a part of a twin pregnancy and then lost their sibling during the first months of gestation This phenomenon had remained purely statistical until quite recently Only in the last few years has psychology started to become interested in the effects that this experience may have on the surviving twin Wha might the consequences be of spending the first weeks or months of one s life with a twin in utero but then to suffer their loss and be born alone How can person process and assimilate this primary experience when frequently it is ignored and relegated to the unconscious levels of our self. The answers to these and other questions constitute the core of this book which also includes around fifty testimonies that enable us to listen firsthand to the multiple manifestations that result from the experience of being a lone twin Loss and What it Taught Me About Living Tracey Corbett-Lynch, Ralph Riegel, 2022-10-06 Murder cancer Covid 19 an asthma attack and heart attacks Tracey Corbett Lynch has encountered loss in all its guises and has had to learn how to cope with life at its most difficult and overwhelming In Loss and What It Taught Me About Living Tracey describes these tragic losses their impact on her and how she learnt to live alongside them with strength and grace She recounts how she coped when it all seemed too much to bear and looks at how we can emerge from suffering forever changed by loss but filled with optimism No two grief journeys are the same but as Tracey discovered some of the stations along the route are Her moving and uplifting story will offer comfort practical advice and a ray of hope to anyone suffering their own loss whatever that might be **Attachment Volume 3 Number 2** Joseph Schwartz, Kate White, 2009-07-30 Attachment New Directions in Psychotherapy and Relational Psychoanalysis is a leading edge journal for clinicians working relationally with their clients It is a professional journal featuring cultural articles politics reviews and poetry relevant to attachment and relational issues an inclusive journal welcoming contributions from clinicians of all orientations seeking to make a contribution to attachment approaches to clinical work an international journal open to ideas and practices from all countries and cultures and a cutting edge journal with up to date briefings on latest developments in neuroscience relevant to psychotherapy and counselling Articles Trees in Shades of Grey Trauma Attachment and Dissociation in the Personal Clinical and Socio Political Settings by Asaf Rolef Ben Shahar Attachment Issues Associated with the Loss of a Co twin before Birth by Althea Hayton Supervision A Space Where Diversity Can Be Thought

About by Anne Power A Little Known History of Attachment Theory In Memory of Karl Pottharst by Diana Taylor and Robin Mintzer Some Memories of Mummy Reflections on Attachment Abuse Dissociation by Carolyn Spring The Unexpected Disclosure and Treatment of a Trauma as a Result of an Adoption Procedure A Clinical Case by Corrado Zaccagnini Alessandra Santona and Stefania Graziosi Science and Literature in Cormac McCarthy's Expanding Worlds Bryan Giemza, 2023-05-04 Bryan Giemza challenges the myth of the solitary genius both in scientific and humanistic endeavors and demonstrates how Cormac McCarthy is the exceptional figure whose work allows and encourages us to interrogate the marriage of the sciences and humanities Drawing from previously unsurfaced archival connections as well as a range of primary sources and interview subjects including those close to McCarthy Giemza places McCarthy's work within contemporary scientific discourse and literary criticism Timely and innovative in both content and structure the volume includes a biographical examination of the writer s love of science and the path that led him to the Santa Fe Institute and offers a rare look behind its closed doors The book probes the STEM subjects with chapters focused on technology engineering and math within and throughout McCarthy's fictional universe and biography The final chapter explores McCarthy's friendship with Guy Davenport and their shared interest in creating a unified aesthetic theory alongside McCarthy's essays and most recent literary projects The Passenger and Stella Maris In arguing that science and art are connected by aesthetics Giemza confirms the profound truth of McCarthy's unwavering belief that There s a beauty to science and a language of human understanding that transcends words Twins, Triplets, and More Elizabeth M. Bryan, 1998-12-15 Twins and higher multiple births bring parents unique joys and unique challenges Dr Elizabeth Bryan founder of the Multiple Births Foundation addresses everything the parents of multiple births need to know from conception to adulthood For example The real difference among fraternal identical and half identical siblings Naming resisting the John and Jane urge Twin languages and their effect on speech development Treating multiples equally without homogenizing them How to ask for and manage help all parents of multiples need it Separation and independence getting the right mix The increased use of fertility drugs combined with the trend toward later motherhood has made multiple births more common than ever In frank but reassuring language Dr Bryan guides parents through the inimitable journey of parenting twins triplets and more Having Twins and More Elizabeth Noble, Leo Sorger, 2003 Considers the needs of prospective multiple **WOOD YOU BELIEVE** FR. JIM COGLEY, 2014-04-22 What we don't know can still deeply affect us This birth parents book contains groundbreaking material that expands the horizons of self awareness For many people it has implications that are enormous and far reaching It is a medical fact that more than one in eight people began their journey into life not on their own They had a wombtwin or were part of a multiple pregnancy It is a medical fact that for every set of twins born at least one in five were triplets There is ever increasing evidence that the memory of this early loss can be carried through life as a form of psychological trauma that has previously been unrecognized and usuallymisdiagnosed. The symptoms of having

experienced loss in the womb or shortly after include A sadness and sense of loss that persists A loneliness that eats into the bones A difficulty with close relationships A burden of guilt that is irrational A black hole that nothing can fill A tendency towards isolation A creativity that is stunted A difficulty with letting go A search that is endless A depressive mentality A restlessness of spirit A poor sense of self Whether the twin loss took place during the first few months in the latter stages of the pregnancy during or after birth the symptoms seem to vary very little Could this be you or someone that you know If so this book could shed light on the mysterious world of what it s like to be a wombtwin survivor and point the way towards healing and recovery Here are the stories of so many who discovered the key to the mystery that had plagued them all their lives Written in language that is easily understood the steps towards identification and resolution are clearly outlined Here is a book that could truly change your life It could be the most important book you will ever read Sociobiological Perspectives on Human Development Kevin B. MacDonald, 2012-12-06 Examines the importance of evolutionary biology for key issues in human development Illustrates the power of socio biological approaches in understanding developmental pheno mena and their importance in generating new empirically verifiable predictions **Expecting Twins, Triplets, and More** Rachel McClintock Franklin, M.D., 2005-04-01 Expecting two or more With humor hope and practical wisdom Dr Rachel Franklin helps you to better understand the unique circumstances of multiple pregnancy and birth From the time you hear the news to the time you take home your bundles of joy Expecting Twins Triplets and More will be an invaluable resource on what to expect how to cope and how to enjoy the journey This reassuring reference includes information on Telling family friends and coworkers the news Choosing a doctor Exercising and eating well Coping strategies trimester by trimester Preparing for labor and delivery Understanding potential complications and their solutions Navigating the NICU Neonatal Intensive Care Unit Celebrating the births and bringing home the babies Expecting Twins Triplets and More is like having a friend who also happens to be a doctor share her experience and expertise to help you best take care of yourself and your babies at this very special time
