**The Diary of Albert Wang: October 2009-December 2009** Albert Wang, 2010-07-05 The Diary of Albert Wang October 2009 December 2009 starts its narrative a little bit before his 33rd birthday Encompassing much controversy as the first most likely public journal executed as a transcript of this performance artist's text messages during this time period this book provides a profound look into the artist writer's daily activities ranging from the business like to the sexual passionate tone The secret life of a run of the mill Salt Lake City resident and displaced New Yorker reveals too many details without flinching yet enveloping the essence of a single Asian male obsessed with daily text messaging and living as a work of art just like On Kawara with his date paintings and postcards The reader will be taken on this intellectually salacious experimental journey *I Will Kiss You (lots & Lots & Lots!)* Stoo Hample, Stuart E. Hample, 2006 Whether standing sitting kneeling or being swung overhead kisses are good however they are received in a charming tale about a mother's love with rhyming text and full color illustrations for preschoolers [Jazz Italiano](#) David Chapman, 2018-11-21 Italy has always been a land enamored of music but in the early 20th century it was jazz that seduced many Italian music lovers Loud brash and syncopated it was an imported passion that came from across the Atlantic it was first performed by visiting American troupes and returning emigrants Eventually Italians began creating their own jazz From ragtime to big bands Italy has foxtrotted and boogie woogied through periods of war and peace poverty and prosperity Fascism and democracy Italy often had a mixed opinion of jazz and that suspicion and active hatred of foreign musical novelties reached its apex during Mussolini's era and yet jazz survived and even flourished despite political and social disapproval This illustrated book records the story of Italian jazz from the early period of imitation to the time when the country's own jazz geniuses made the genre uniquely Italian Musicologists historians and jazz lovers will find much to enjoy here [Reports of Decisions in Probate](#) California. during WWII It explores the experiences of a non combat Army utilities engineer working in a combat zone during the war in Europe and takes the protagonist from basic training through various overseas assignments in this case to England North Africa and Italy as a support soldier under Eisenhower and his successors at Allied Force Headquarters It also includes some reflections about his life after returning to Oregon when the war was over The soldier involved is Captain Harold Alec Daniels OSU Class of 1939 ROTC and most of the letters were written to his wife Mary Daniels attended U of O in the late 1930s They are the author s parents and she inherited the letter collection photos and all other primary source materials after her mother s death in 2006

**The Twelfth-Century Renaissance** Alex J. Novikoff, 2016-12-14 The twelfth century was a time of new ideas and creative innovation spurred on by patron monarchs like King Henry II and Eleanor of Aquitaine poets like Marie de France and Chrétien de Troyes lovers and intellectuals like Abelard and Heloise and religious thinkers like Bernard of Clairvaux and Hildegard of Bingen In his thoughtful introduction Novikoff explores the term twelfth century renaissance and whether or not it should be applied to a range of thinkers with differing outlooks and attitudes With reference to this ongoing historiographical debate Novikoff embraces the harmony of disharmonies and allows the authors of the twelfth century to define the period for themselves He situates classic works against a broad backdrop of other sources many appearing in translation for the first time in order to highlight the period's diverse currents of thought Sixteen black and white images are included
