Heffernan gives a highly informative analysis of what the internet is and can be in an examination of its past present and future **Mortality and Music** Christopher Partridge, 2015-08-27 The evidence of death and dying has been removed from the everyday lives of most Westerners Yet we constantly live with the awareness of our vulnerability as mortals Drawing on a range of genres bands and artists Mortality and Music examines the ways in which popular music has responded to our awareness of the inevitability of death and the anxiety it can evoke Exploring bereavement depression suicide violence gore and fans responses to the deaths of musicians it argues for the social and cultural significance of popular music's treatment of mortality and the apparent absurdity of existence **Lou Reed** Anthony DeCurtis, 2017-10-10 The essential biography of one of music's most influential icons Lou Reed As lead singer and songwriter for the Velvet Underground and a renowned solo artist Lou Reed invented alternative rock His music at once a source of transcendent beauty and coruscating noise violated all definitions of genre while speaking to millions of fans and inspiring generations of musicians But while his iconic status may be fixed the man himself was anything but Lou Reed's life was a transformer's odyssey Eternally restless and endlessly hungry for new experiences Reed reinvented his persona his sound even his sexuality time and again A man of contradictions and extremes he was fiercely independent yet afraid of being alone artistically fearless yet deeply paranoid eager for commercial success yet disdainful of his own triumphs Channeling his jagged energy and literary sensibility into classic songs like Walk on the Wild Side and Sweet Jane and radically experimental albums alike Reed remained desperately true to his artistic vision wherever it led him Now just a few years after Reed's death Rolling Stone writer Anthony DeCurtis who knew Reed and interviewed him extensively tells the provocative story of his complex and chameleonic life With unparalleled access to dozens of Reed's friends family and collaborators DeCurtis tracks Reed's five decade career through the accounts of those who knew him and through Reed's most revealing testimony his music We travel deep into his defiantly subterranean world enter the studio as the Velvet Underground record their groundbreaking work and revel in Reed's
