Lou Reeds New York:

Lou Reed ,1989 Lou Reed's New York Lou Reed,2006 Here we see Lou Reed s intuitive take on New York the city that has been the fulcrum of his creative world for decades and with which he has become indelibly identified The Life of Lou Reed Howard Sounes,2019-09-10 An illuminating biography of Lou Reed featuring interviews with over 140 people who knew him intimately plus previously unpublished photographs As band leader of the Velvet Underground and later a successful solo artist Reed was much more than what the general public came to know as the grumpy New Yorker in black who sang Walk on the Wild Side To his dedicated admirers he was one of the most innovative and intelligent songwriters of modern times a natural outsider who lived a tumultuous and tortured life In the course of his deep research into Reed s life from a humble upbringing on Long Island to death from liver disease in 2013 Howard Sounes interviewed more than 140 people who knew the artist intimately some of whom have not spoken publicly about him before With new revelations from former wives and lovers family members fellow band members and celebrities and music industry figures this book offers an updated unfettered look at Reed s creative process his mental health problems his bisexuality his three marriages and his addictions to drugs and alcohol Featuring previously unpublished photographs of some of Reed s most private moments this is the definitive account of one of rock n roll s most complicated and brilliant prophets Compelling Sounes takes pride in carefully debunking the myths that have crept in from Reed s own fictionalizations The Sunday Telegraph Controversial Sounes book pushes the standard Reed narrative New York Times A measured chronicle of the life and music of Lou Reed Sounes proves to be an amiable narrator who successfully reveals Reed as an innovative influential musician Publishers Weekly A walk on the dark side Independent A must read Sounes chronicles Reed s turbulent and often brutal relationships with men and women and the wayward talent that produced such classics as Walk On The Wild Side Daily Mail Lou Reed Anthony DeCurtis,2017-10-10 The essential biography of one of music s most influential icons Lou Reed As lead singer and songwriter for the Velvet Underground and a renowned solo artist Lou Reed invented alternative rock His music at once a source of transcendent beauty and coruscating noise violated all definitions of genre while speaking to millions of fans and inspiring generations of musicians But while his iconic status may be fixed the man himself was anything but Lou Reed s life was a transformer s odyssey Eternally restless and endlessly hungry for new experiences Reed reinvented his persona his sound even his sexuality time and again A man of contradictions and extremes he was fiercely independent yet afraid of being alone artistically fearless yet deeply paranoid eager for commercial success yet disdainful of his own triumphs Channeling his jagged energy and literary sensibility into classic songs like Walk on the Wild Side and Sweet Jane and radically experimental albums alike Reed remained desperately true to his artistic vision wherever it led him Now just a few years after Reed s death Rolling Stone writer Anthony DeCurtis who knew Reed and interviewed him extensively tells the provocative story of his complex and chameleonic life With unparalleled access to dozens of Reed s friends family and

collaborators DeCurtis tracks Reed's five decade career through the accounts of those who knew him and through Reed's most revealing testimony his music. We travel deep into his defiantly subterranean world, enter the studio as the Velvet Underground record their groundbreaking work and revel in Reed's relationships with such legendary figures as Andy Warhol, David Bowie and Laurie Anderson. Gritty, intimate and unflinching, *Lou Reed* is an illuminating tribute to one of the most incendiary artists of our time. **Lou Reed** Will Hermes, 2023-10-03. The only Lou Reed bio you need to read. The Washington Post. A Rolling Stone best music book of 2023. One of Pitchfork's ten best music books of 2023. A Variety best music book of the year. A Kirkus Reviews best nonfiction book of 2023. There have been many biographies of Lou Reed, but Will Hermes has written the definitive life. He has brought to the assignment a sharp eye, a clear head, a lucid prose style and a determination to let Lou be Lou without judgment. Lucy Sante, author of *Low Life*. The most complete and penetrating biography of the rock master whose stature grows every year. Since his death in 2013, Lou Reed's living presence has only grown. The great rock poet presided over the marriage of Brill Building pop and the European avant garde and left American culture transfigured. In *Lou Reed: The King of New York*, Will Hermes offers the definitive narrative of Reed's life and legacy, dramatizing his long brilliant and contentious dialogue with fans, critics, fellow artists and assorted habitués of the demimonde. We witness Reed's complex partnerships with David Bowie, Andy Warhol, John Cale and Laurie Anderson, track the deadpan wit, street smart edge and poetic flights that defined his craft as a singer and songwriter with the Velvet Underground and beyond, and explore the artistic ambition and gift for self sabotage that he took from his mentor, the poet Delmore Schwartz. As Hermes follows Reed from Lower East Side cold water flats to the eminent status he later achieved, he also tells the story of New York City as a cultural capital. The first biographer to draw on the New York Public Library's much publicized Reed archive, Hermes employs the library collections, the release of previously unheard recordings and a wealth of recent interviews with Reed's contemporaries to give us a new Lou Reed: a pioneer in writing about nonbinary sexuality and gender identity, a committed artist who pursued beauty and noise with equal fervor and a turbulent and sometimes truculent man whose emotional imprint endures. **The Life and Music of Lou Reed** Jeremy Reed, 2014-09-24. In *Waiting For The Man*, Jeremy Reed focuses on Lou Reed as rock's principal literary avatar, paying special attention to his controversial lyrics and prototypical garage sound. Lou Reed influenced generations of copyists that took note of his outlaw status, ambiguous sexual orientation, characterised by his seventies relationship with the transvestite Rachel, his implacable mystique, cool and defiant attitude as the narrator of subcultures. Finally, the book examines the transcendent if reluctant calm that Reed arrived at in later life. Taking in the sweep of Reed's career from Velvet Underground to the variants of forty years of resistant solo pioneering, *Waiting For The Man* accesses the man and his music with the extraordinary perception and attention to detail.
