**Plantation Homes** William Darrell Overdyke, 1965 This is a comprehensive pictorial album of the fine colonial homes and plantation residences of Louisiana that were built in the flush financial times before the Civil War This authoritative book is the result of three decades of photographing and dedicated research by Professor Overdyke and his wife     **Buildings of Louisiana** Karen Kingsley, 2003 Looks at the state s extraordinary architecture from the Creole tradition and the Mississippi River s antebellum mansions to the modern and dicusses their architectural history preservation and urban planning

**Louisiana Plantation Homes** Lee Malone, 2008 A celebration of the antebellum South this beautiful book features more than one hundred full color photographs of restored plantation homes The collection is complete with updated information to reflect the status of these historic buildings in light of the damage from Hurricane Katrina in 2005 Gorgeous photography and informative text highlights the history and outstanding architectural features of each home Publisher description     An Antebellum Architectural Treasure Tamekia Sgro, 2021-05-08 The Bellamy Mansion built between 1859 and 1861 is a mixture of Neoclassical architectural styles including Greek Revival and Italianate and is located at 503 Market Street in the heart of downtown Wilmington North Carolina It is one of North Carolina s finest examples of historic antebellum architecture Every old house tells a story but few spin a more complex or compelling tale than Wilmington s Bellamy Mansion There s the story of the white architects both of them Yankees and black artisans most of them slaves who left the imprint of their skills on the town they shared There s also the saga of a proud Southern family that built lost and regained its home in a single tumultuous half decade set against the larger backdrop of the prosperous port city divided and transformed by war And then there s the present day story the tale of dedicated preservationists who fought time weather decay and disastrous fire to keep this important piece of their city s heritage alive This mansion could be the setting for a sprawling intricately plotted character rich Victorian novel except every word is true     **The Louisiana Houses of A. Hays Town** Cyril E.

Vetter, 1999-03-01 A Hays Town changed the face of the Louisiana house In a career that includes designing more than five hundred homes he led architects builders and homeowners to embrace the finest elements of Louisiana s architectural past Almost every home built in Louisiana during the last twenty years is in some way inspired by Town s work The Louisiana Houses of A Hays Town honors his legacy as Louisiana s premier residential architect Color photographs of numerous homes including Town s own by Philip Gould combined with an illuminating text by Cyril E Vetter produce a volume that captures the appeal and beauty of the state s finest architectural tradition Born and raised in rural southwest Louisiana Hays Town graduated from Tulane University with a degree in architecture in 1926 and worked for a firm in Jackson Mississippi for many years He established his own successful commercial practice in Baton Rouge in 1939 but in the 1960s Town turned to his abiding passion residential architecture Throughout this chapter of his career he perfected his inimitable style and emerged as one of the most prominent architects in the South Town s residential designs are perceptibly influenced by the diverse culture of south Louisiana His synthesis of the classic Acadian cottage Spanish courtyards and exterior French doors

with Creole influenced full length shutters achieves an original confluence of seemingly disparate yet elegantly balanced themes and forms Other Town trademarks include pigeonniers tree alleys thirteen foot ceilings heavy use of such woods as cypress and heart of pine plantation style separate structures and brick floors with a special beeswax finish The Louisiana Houses of A Hays Town illuminates the momentous effect Town has had on the look of Louisiana Crafted from the perspective of two people Vetter and Gould who are not architects but admirers of one man s exceptional talent this delightful book demonstrates that each Town house is a work of art that fits both person and terrain At the door of each home proud owners hang a bronze plaque that says it all A Hays Town Architect     *The Majesty of the Felicianas* Paul Malone, Lee Malone, 1989 Shows and describes antebellum plantation homes in the East and West Feliciana parishes of Louisiana
