Love Among the Artists George Shaw, 2013-09-19 Review from The Book Buyer Volume 22 Social satire is in abeyance in Mr George Bernard Shaw s *Love Among the Artists* a new edition of which makes its appearance some twenty years after its first publication with a whimsical introduction by the author The sneer of the Bohemian for the Philistine is the Leit motiv of this amusing tale without much plot but it is fairly matched by impatience of the dilettante whom we have always with us jabbering of inspiration and aims chattering the jargon without realizing its expression in work and turning out impossible daubs Then there are a Polish pianiste an actress and a Welsh composer a kind of Hans von Bulow in unpardonable rudeness and lack of manners also a good natured bounder connected with a motor company who in making a proposal of marriage states his income computed with a percentage off the minimum and who knows that the untamed composer s heroic symphony is good music because it reminds him of the Pacific railroad In *Cashel Byron s Profession* Mr Shaw gave us a wonderful account of a prizefight in *Love Among the Artists* he describes the making of an actress with rare skill and his report of the rehearsal of the composer s first composition by a musical society in London is as admirable The love of the title has no perceptible influence upon its artists The tale has a beginning but no logical ending After entertaining its readers through nearly 337 pages it stops
