Love And Power:

The End of Divine Truthiness: Love, Power, and God Paul Joseph Greene, 2017-08-01 In *The End of Divine Truthiness* Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr's pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert's word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene's call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love [Love, Power, and Gender in Seventeenth-Century French Fairy Tales](#) Bronwyn Reddan, 2020-12 Love is a key ingredient in the stereotypical fairy tale ending in which everyone lives happily ever after This romantic formula continues to influence contemporary ideas about love and marriage but it ignores the history of love as an emotion that shapes and is shaped by hierarchies of power including gender class education and social status This interdisciplinary study questions the idealization of love as the ultimate happy ending by showing how the conteuses the women writers who dominated the first French fairy tale vogue in the 1690s used the fairy tale genre to critique the power dynamics of courtship and marriage Their tales do not sit comfortably in the fairy tale canon as they explore the good the bad and the ugly effects of love and marriage on the lives of their heroines Bronwyn Reddan argues that the conteuses scripts for love emphasize the importance of gender in determining the right way to love in seventeenth century France Their version of fairy tale love is historical and contingent rather than universal and timeless This conversation about love compels revision of the happily ever after narrative and offers incisive commentary on the gendered scripts for the performance of love in courtship and marriage in seventeenth century France *Love Power Politics!!* Prashant Sharma, 2012 LOVE POWER POLITICS They say power corrupts and absolute power corrupts absolutely A story of two friends Gopal and Hari Gopal the ambitious go getter who will do anything to be in the council and eventually the President of the college And Hari his able sidekick And the story of Radha young enigmatic in love and more ambitious than Gopal himself In this political battle of wit love mystery and betrayal who will emerge as the final winner *The Power of Love - A Tale of Time* Ross J. Kinnaird, 2024-06-20 Evil even the most terrifying is often born from the seeds of previous malevolence We can observe it judge it fight against it but deep down we acknowledge in the quiet recesses of our hearts that we have played a part in its creation shaping it into our greatest adversary A Tale of Time serves as the prequel to *The Power of Love The One* Set in a remote corner of the universe Runae

enjoys the protection of the God of Time This seemingly fragile planet has defiantly resisted the looming threat of the King of Emptiness Nothing As The Power of Love Trilogy unfolds while Time confronts the enemy head on a subtle menace brews within the confines of his safeguarded world From the downfall of the human kingdom to the rise of the Crimson Queen the journey of a lifetime commences with the Great Dawn Prepare yourself for an immersive experience of magic and power wars and betrayals as the narrative hurtles towards an inevitable and unstoppable clash Note to readers For those who loved the story behind Runae s demise this work will reveal **The White Slavery** Wiley Britton,1909 **The Power to Love** John C. Glenn,2010-06 Loving others like Jesus is not automatic or natural but it is vital to a satisfying home life productive work environment and a positive community The Power To Love is a concise overview of the personal communication and relational skills needed to develop and maintain loving relationships The personal skills include cognitive restructuring emotional management behavioral redirection and spiritual enlightenment The communication skills include understanding the miracle of communication knowing what to talk about and being able to speak the truth in love The relational skills involve confrontation without condemnation comforting without enabling and supporting without hidden strings Together these skills provide the relational empowerment needed to actually fulfill the new commandment of Jesus to love others the way he does Those who experience The Power To Love described in these pages enjoy the personal benefits and genuine freedom of loving others regardless of their circumstances of life **The Power of Love to Transform Our Lives and Our World** June Singer,2000 The energies of love exist full blown within each human being We have an incredible power given to us at birth that we must learn how to handle and it is this power that has gotten the world into the state it is in William Blake tells us the road of excess leads to the palace of wisdom June Singer understands this to mean that when we go too far in one direction we inevitably come to the place where we see our own folly laid out before us and from this we learn there must be a better way We experience love first of parent and child then romantic love or lust then Platonic love the love of friend for friend and love for country for land for that which is familiar Or the god intoxicated love of mystics and saints and those who have known near death or god or real compassion June Singer draws on her Jungian background to explain our contemporary confusion about the power of love and our love of power She says that when we understand our relationships and our changing world we can develop the masculine and feminine sides of ourselves This means that we are free to assume the power that is given when the ego is developed so that no other person has to act out parts of ourselves in order for that part to be expressed When we reach the transpersonal stage of love we are able to see life We no longer see power as a magic wand to gain superiority over others We begin to understand what it means to say we are all one Transpersonal love fires humanity It takes us beyond ego beyond personal needs and unites the personal ego with the larger self When the various inner parts of ourselves are in harmony we can truly love and we can begin to affirm the union between human and divine
