**The Rancher takes his Love at First Sight** Shanae Johnson, 2020-09-22 Hypothetically speaking can an Army Ranger war games strategist and an environmental scientist bent on saving the planet fall in love at first sight Romey Capulano knows that marrying Jordan Spinelli is the most logical expedient and practical way to save the farm commune she's lived on her whole life But when the pragmatic minded hydroponic gardener says I do she's surprised to find her heart speeding up when he makes his vows her hands tingling when he slides the diamond on her finger and her breath quickening as he leans in for the kiss Succumbing to the notion of love was not a part of her plan and she's sure it will ruin the platonic relationship that she and the genius Army Ranger have planned out for themselves Jordan Spinelli is certain he's coming down with something the day of his arranged marriage to Romey Why else would his blood run hot his palms sweat and his heart keep skipping beats Better he catch an illness than feelings for the level headed soil scientist Because falling in love was not a part of their carefully constructed peer researched marital agreement As the two try to navigate a loveless marriage unknown forces keep pushing them into each other's arms Divine acts keep pushing their lips within kissing range Unspoken desires keep causing their hearts to face the inexplicable truth the unquantifiable math that all adds up to the obvious But will Jordan and Romey be able to admit to themselves and each other that their platonic vows are a shame because they just might have fallen in love at first sight *The Subtlety of Emotions* Aaron Ben-Ze'Ev, 2001-08-24 An informal yet rigorous exploration of human emotions in all their complexity and subtlety Why do we cry at the movies What is the best way to manage destructive feelings such as jealousy Although emotions pervade our lives their nature causes and effects have only recently been studied by social scientists and philosophers Despite growing scientific interest in the subject empirical findings have not yet caught

up with our intuitive knowledge In this book Aaron Ben Ze'ev carries out what he calls a careful search for general patterns in the primeval jungle of emotions In an engaging informal style he draws on a variety of theoretical approaches and popular sources to produce a coherent account of emotions in all their subtlety All of the ideas are illustrated with examples drawn from everyday life The book is organized into two parts The first presents an overall conceptual framework for understanding emotions It looks at the typical characteristics and components of emotions distinguishes emotions from other affective phenomena classifies the emotions and covers such related issues as emotional intelligence regulating emotions and emotions and morality The second part discusses individual emotions including envy jealousy pleasure in others misfortune pity compassion anger hate disgust love sexual desire happiness sadness pride regret and shame The text is laced with insightful and often amusing quotations from sources ranging from Mae West to Montesquieu [Love at First Sight](#) Wislawa Szymborska, 2022-11-08 A poem by the winner of the Nobel Prize for Literature illustrated for readers of all ages that will challenge assumptions about falling in love They're both convinced that a sudden passion joined them Such certainty is beautiful but uncertainty is more beautiful still Love at First Sight is a poem about love and chance and destiny by the 1996 Polish winner of the Nobel Prize for Literature Illustrated by Italian artist Beatrice Gasca Queirazza Szymborska's poem comes to life in entirely new ways for her readers and for lovers everywhere in this oversized book perfect for gift giving Szymborska tells of two young lovers bound together in an instant or were they As the poem unfolds the reader's assumptions like those of the lovers themselves about certainty and destiny are utterly upended revealing the paradox and mystery of fate Here is randomness tricks of memory and chance where noticing the smallest details of our intertwined lives is more essential than asking Are we meant for each other Every beginning is only a sequel after all **Love At First Sight** Anastasia Marie Cassella, 2023-07 Love At First Sight by Anastasia Marie Cassella Married after only three months after falling in love at first sight because of his eyes Do you believe in love at first sight Author Anastasia Marie Cassella does Follow Louise as she falls in love or so she believes at first sight which turns sour Then she has another adventurous romance that she believes is truly love at first sight Find out if Louise has fallen in love at first sight with Author Anastasia Marie Cassella's first romance novel It is romantic passionate and full of adventure A must read 5 Stars Some people fall in love at first sight In this case it was because of his eyes Follow Louise as she falls in love See if the infatuation she has with his eyes amounts to lasting life long bond Review by Editor at Book Marketing Global Network [The American Journal of Psychology](#) Granville Stanley Hall, Edward Bradford Titchener, Karl M.
