Smith, 2004-06-14 This book is the beginning of a much needed discussion about the experiences and beliefs of Irish priests It provides a cultural analysis of these men including the diverse and oftentimes contradictory sides they find themselves on regarding philosophical theological and pastoral issues Bridging Two Eras Emily Newell Blair, 1999 Because Blair's life essentially spanned two eras from the end of the nineteenth century through the middle of the twentieth she thought of herself as a bridge builder A dedicated feminist she wanted her autobiography to help women understand what life was like during that transition time She had moved from being a conventional middle class midwestern wife and mother to becoming an acclaimed author a nationally known feminist and vice chairman of the Democratic National Committee only two years after women gained the right to vote She felt that her story could encourage women to take their rightful places in public life **Tacket Խոհեր եւ հուշեր** Vahan H.
