**Love Leads Us Home** Lori Scarborough,2024-10-25 How many times do you wonder about Love What does it mean to Love and be Loved This book explores from a Biblical perspective how Love is expressed in Scriptures This book is written to challenge encourage and illustrate God s message to us Love is woven like a Scarlet Thread throughout the Bible connecting verses chapters and books providing a roadmap to our Eternal Home This book is not written from a theological lens but is meant to create a safe space for the reader to consider their own thoughts about each Scripture The book explores ways that as Christians we are called to Love but also acknowledges that we often fail to Love well in many ways as we interact with fellow Christians and others within our circle of influence While the focus is on verses of the Bible that mention the word Love there is opportunity to deeper explore many stories within the Bible The stories may surprise you as we see that Love is not always what we might expect Let this book speak to you as you discover how the Bible describes Love It is more than romance cupids and warm feelings God loves unconditionally but directs us how to Love His commandments each other and ourselves How we love others impacts how

others view God as we demonstrate Christ's love through our words and actions. In our brokenness we love imperfectly but can continue to grow in our abilities. There are several common themes that are seen in this study and each one is important as we continue to grow in our spiritual journey. This book highlights the work of other talented artists who have expressed their work through many mediums. Take your time to listen and consider their thoughts as well.
