Love Fortune:

Love's Fortune (The Ballantyne Legacy Book #3) Laura Frantz, 2014-09-09 Sheltered since birth at her Kentucky home Rowena Ballantyne has heard only whispered rumors of her grandfather Silas's vast fortune and grand manor in Pennsylvania. When her father receives a rare letter summoning him to New Hope, Rowena makes the journey with him and quickly finds herself in a whole new world filled with family members she's never met, dances she's never learned, and a new side to the father she thought she knew. As she struggles to fit in during their extended stay, she finds a friend in James Sackett, the most valued steamship pilot of the Ballantynes' shipping line. Even with his help, Rowena feels she may never be comfortable in high society. Will she go her own way to her peril? With her signature attention to historical detail, Laura Frantz brings 1850s Pennsylvania alive with a tender story of loss, love, and loyalty. Fans will cheer for this final installment of the Ballantyne saga.

Love Fortunes and Other Disasters Kimberly Karalius, 2015-05-12 Love is real in the town of Grimbaud, and Fallon Dupree has dreamed of attending high school there for years. After all, generations of Duprees have successfully followed the 100% accurate love fortunes from Zita's famous Love Charms Shop to happily marry their high school sweethearts. It's a tradition. So she is both stunned and devastated when her fortune states that she will NEVER find love. Fortunately, Fallon isn't the only student with a terrible love fortune, and a rebellion is brewing. Fallon is determined to take control of her own fate, even if it means working with a notorious heartbreaker like Sebastian. Will Fallon and Sebastian be able to overthrow Zita's tyranny and fall in love?

Fortune's Faces Daniel Heller-Roazen, 2004-12-01 Arguably the single most influential literary work of the European Middle Ages, the *Roman de la Rose* of Guillaume de Lorris and Jean de Meun has traditionally posed a number of difficulties to modern critics who have viewed its many interruptions and philosophical discussions as signs of a lack of formal organization and a characteristically medieval predilection for encyclopedic summation. In *Fortune's Faces*, Daniel Heller-Roazen calls into question these assessments, offering a new and compelling interpretation of the romance as a carefully constructed and far-reaching exploration of the place of fortune, chance, and contingency in literary writing. Situating the *Roman de la Rose* at the intersection of medieval literature and philosophy, Heller-Roazen shows how the thirteenth-century work invokes and radicalizes two classical and medieval traditions of reflection on language and contingency: that of the Provençal French and Italian love poets who sought to compose their verses of pure nothing in a language Dante defined as without grammar, and that of Aristotle's discussion of future contingents as it was received and refined in the logic, physics, theology, and epistemology of Boethius, Abelard, Albert the Great, and Thomas Aquinas. Through a close analysis of the poetic text and a detailed reconstruction of the logical and metaphysical concept of contingency, *Fortune's Faces* charts the transformations that literary structures such as subjectivity, autobiography, prosopopoeia, allegory, and self-reference undergo in a work that defines itself as radically contingent. Considered in its full poetic and philosophical dimensions, the *Roman de la Rose* thus acquires an altogether new

significance in the history of literature it appears as a work that incessantly explores its own capacity to be other than it is

A New History of Medieval French Literature

Jacqueline Cerquiglini-Toulet, 2011-12-01 Is it legitimate to conceive of and write a history of medieval French literature when the term literature as we know it today did not appear until the very end of the Middle Ages In this novel introduction to French literature of the period Jacqueline Cerquiglini Toulet says yes arguing that a profound literary consciousness did exist at the time Cerquiglini Toulet challenges the standard ways of reading and evaluating literature considering medieval literature not as separate from that in other eras but as part of the broader tradition of world literature Her vast and learned readings of both canonical and lesser known works pose crucial questions about among other things the notion of otherness the meaning of change and stability and the relationship of medieval literature with theology Part history of literature part theoretical criticism this book reshapes the language and content of medieval works By weaving together topics such as the origin of epic and lyric poetry Latin French bilingualism women s writing grammar authorship and more Cerquiglini Toulet does nothing less than redefine both philosophical and literary approaches to medieval French literature Her book is a history of the literary act a history of words a history of ideas and works monuments rather than documents that calls into question modern concepts of literature

Secrets Jacob Vance, 2014-09-11 In *Secrets* Humanism Mysticism and Evangelism in Erasmus of Rotterdam Bishop Guillaume Bri onnet and Marguerite de Navarre Jacob Vance argues that Erasmus and French Evangelical humanists made secrecy central to their literary thought They revived Scriptural medieval and early Renaissance notions of secrecy in their spiritual and profane literature to advance the reforms in church and society that they advocated Erasmus Bri onnet and Marguerite expanded on Origenian Augustinian and pseudo Dionysian concepts of divine mystery as being secret throughout their works By developing the idea that the divine remains both transcendent and
