keeping their marriage healthy for years to come Go West! Bernhard Hemetsberger, Andreas Oberdorf, 2025-04-21 The West is a central concept in public discourse but its meaning is often unclear and open to manifold interpretations and ascriptions of belonging and exclusion Who is part of the West When and where is it located How did its meaning change over space and time Who are the mediators of the West and what is their interest in terms of culture and education The West is often used without any critical questioning though This is also reflected in history of education research especially with focus on transnational or transatlantic issues Here the West is a sort of container term or fuzzy concept that can refer to a variety of historical entanglements and cultural transfers in school systems and education but also to conflicts and crises accordingly This book aims to stimulate a critical reflection and debate on ideas of the West in the history of education by gathering scholars from various fields of historical research With a reflexive historical distance to current political incidents in which ideas of the West are revived the contributions in this book are intended to enable readers to evaluate representations of the West in current academic or public discourses and debates alike *50 Things Liberals Love to Hate* Mike Gallagher, 2012-08-28 America how does the liberal hate thee Let us count the ways It s hard work being a liberal these days Not only do a mere 20 percent of Americans identify themselves as liberal but one could go broke supporting a skinny double decaf Starbucks habit On top of that when you hate things most Americans love it s tiring to have to endlessly correct educate fix enlighten the poor dullards out there who just want to enjoy their lives Which taken as a whole makes the average liberal lonely short on cash and mad as hell So in the spirit of the compassion they themselves espouse *50 Things Liberals Love to Hate* is truth spoken with love an invitation to the disenfranchised it s not too late liberals to join the fun C mon crack open a Bud and throw another T bone on the grill But kindly check your disdain at the door when it comes to WALMART How about a handmade locally sourced flat screen television instead STEAKHOUSES There s no steamed tofu on this menu McDONALD S The stranger in the playground handing out candy to children FLAG PINS It s okay to love America but not enough to wear it on your lapel FOOTBALL War with cleats and pads THE V 8 ENGINE There s just something plain wrong about all that power and freedom under the control of one person SUCCESS When you make more money than the rest of us it hurts our feelings THE FOUNDING FATHERS A bunch of old white guys who are making it nearly impossible for modern government to pick our doctors teach our children correct our diets and save our money and 42 other things that have liberals packing some serious hate Mike Gallagher America s sixth ranked radio talk show host and Fox News contributor skewers liberal lunacy with cutting irony and scathing wit Here are 50 warning signs of a liberal mind implosion all darn good reasons to lock the doors crank up the A C turn on the game and let the countdown begin **Go West, Young Man** B.
