Love in Africa Jennifer Cole, Lynn M. Thomas, 2009-08-01 In recent years scholarly interest in love has flourished Historians have addressed the rise of romantic love and marriage in Europe and the United States while anthropologists have explored the ways globalization has reshaped local ideas about those same topics Yet love in Africa has been peculiarly ignored resulting in a serious lack of understanding about this vital element of social life a glaring omission given the intense focus on sexuality in Africa in the wake of HIV AIDS Love in Africa seeks both to understand this failure to consider love and to begin to correct it In a substantive introduction and eight essays that examine a variety of countries and range in time from the 1930s to the present the contributors collectively argue for the importance of paying attention to the many different cultural and historical strands that constitute love in Africa Covering such diverse topics as the reception of Bollywood movies in 1950s Zanzibar the effects of a Mexican telenovela on young people's ideas about courtship in Niger the models of romance promoted by South African and Kenyan magazines and the complex relationship between love and money in Madagascar and South Africa Love in Africa is a vivid and compelling look at love's role in African society

Shaw, 2021-12-01 Sentimental discoveries and badly kept secrets. Is it the perfect Christmas at the Haven Hotel? It's the first Christmas at the Haven Hotel since Rick inherited it from his aunt and he's spent all year getting things back on track. When he and Eliot find a box of Auntie's mementoes in the basement, highlighting a very unconventional theatrical career, he decides to hold a party to honour her. But there are way too many obstacles preventing him getting his friends together in one place this close to Christmas. Or so everyone keeps telling him. Rick loves his partner Eliot and is very fond of his friends. But a man's patience can only stretch so far. The day of Auntie's birthday turns out to be a very confusing and distracting time for him, and everyone except him seems to be in on it. From covert meetings to secret recipes to mysteriously vanishing decorations, and even through a very hot but surprising seduction, Rick is led astray until the day is almost over. And then his friends show another side of their meddling. Auntie Pop had love and respect from many of the escorts at the Haven, and it looks like her day will be fondly remembered after all. And Rick and Eliot may have the chance at last to make their own special commitment that's if Rick ever forgives all the subterfuge. This Christmas special is a self-contained story, but it features all the characters who live and work at the Haven, so it may be more fun if you've read the previous books. **The**

**Land of Thunder: A Saga of Love in Brutal Germany** Lester S. Taube, 2014-06-20 A poignant love triangle between childhood sweethearts and their closest friend set in Stuttgart, Germany, during the rise of Hitler's Third Reich. This tale takes the reader on an emotional roller coaster ride of pain, despair, and eventually joy. Sweethearts Marc and Lisbeth marry while their friend Hans, who is a fugitive after joining Hitler's aborted putsch in Munich, can only watch from afar as the object of his affection pledges her love to his friend. Later, the couple and their daughter move to Holland in an effort to avoid Hitler's demoniac rule. Marc, on business in Switzerland during Germany's conquest of Holland, learns his family has been swept up by the SS. Unable to make contact, he returns to Germany hoping he can ransom his wife and daughter. Apprehended by the Gestapo, he is told his family died in transit. Stricken to the core, Marc seeks only death. But the Gestapo tortures him to reveal the large sum of money they know he has hidden. After much suffering, he escapes to Switzerland where he joins the American Army and returns to Europe as an infantry officer. In the interim, Lisbeth and her daughter are enduring their own torments in a work camp where they are at the mercy of their sadistic guards. Just when things seem their worst, Hans, now a Waffen SS officer, becomes camp commandant and learns the two are prisoners. Still deeply in love with Lisbeth, Hans risks severe censure to keep the two safe and to look for information about Marc. He eventually obtains a Gestapo report stating that Marc has certainly died during his escape. Knowing that the inmates in the camp will eventually be killed, Hans must weigh his love for Lisbeth against his loyalty to his country. The struggle of the three becomes an exciting story as the wheel
