Emory Clark, 2024-02-13 Through the use of poetry and prose I hope to express the love affection tenderness and devotion which I first found with my family in our big log house far back in the woods. I want to show how the urge to write about my life has followed me along mountain trails down city streets and within my own special friendships and romantic adventures. All those events do not hold a candle to the importance of raising my beautiful children or to the myriad of the ongoing splendid experiences with my grandchildren and great grandchildren. Happy reading.
