Perkins,1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book s title is an allusion to the Bible s injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotoma s ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded      *The Love of God* Christopher W. Morgan,2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series      *Surrender to Love* David G. Benner,2003-04-28 David Benner explores the twin themes of love and surrender as the heart of Christian spirituality He leads you to an unexpected place where yieldedness to God frees you to become who he created you to be      *With Love* G. Bradley,2019-09-09 This is more than a book about love and relationships This is a book that shows how love works and how to make love work for you Nurture the love within and the rest will follow You can focus your thoughts on love today to free yourself from the past Reclaim your innocence with love and feel your happiness flow Introduce love to your dreams to empower their fulfilment Use your belief in the spirit of love to heal and comfort You will be introduced to four hundred quotes about love that will help you feel the joy love brings to all aspects of your life Open your mind and your heart to the discovery of some of the deeper and spiritual meanings of love Feel the love that is provided by nature and see the love in all things around you      **Chapter 5: Is This Love? Is This a Disease?** Kasumi Fujishiro,101-01-01 Shuu is a girl going to university who s very popular with other girls due to her boyish manners and slender handsome appearance One day she helps a beautiful looking man who got caught up in a fight and then out of nowhere is told You re the most beautiful

woman I've ever seen Suddenly he kisses her While she would normally hate this the kiss feels too good She can't resist Would you believe this man is a mythical being that seduces humans and feeds on their life force their vim He's a Succulent His name is Shitou and after being saved by Shuu he can't help but keep chasing after her At first Shuu sees Shitou as an annoyance but slowly begins to accept the woozy hot kisses from the first man to treat her like a woman The start of a love story that begins with a handsome boyish college girl and a mesmerising demon Love Is a Story Robert J.

Sternberg,1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out Discover the Secret of True Love Consolatus

C. Okorundu,2008-12-15 In the midst of the many hardships we endure in our daily lives it can be difficult to define the true meaning of love let alone find it Yet living without such love can leave us empty and unfulfilled Consolatus C Okorundu can help Drawing on her personal relationship with God and many of her life experiences Okorundu explores the supreme definition of love and how it can offer us liberation from the darkness within our souls With an in depth look at scriptures from the Holy Bible Okorundu shares how true love will always lead you to peace and harmony toward God others and yourself Learn how the fruits of love patience understanding acceptance consideration honesty forgiveness and communication are the key to successful relationships with others whether it be your family your spouse your friends or even your co workers Okorundu also shares different personal interpretations of love from others to reveal how the common human experience unites us all But at its heart Discover the Secret of True Love shows the awesome love that God has for each of his children Find inner peace with the love from our almighty Father and renew your spirit **The Analogy of Love**

Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to

integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians

**The Delights of Wisdom Pertaining to Conjugal Love** Emanuel Swedenborg, 1856      Messiah Pulpit , 1899 Contains text of sermons delivered by M J Savage and others in New York City

*Love as Common Ground* Paul S. Fiddes, 2021-09-23 This book explores the way in which the study and practice of love creates a common ground for different faiths and different traditions within the same faith For the contributors common ground in this context is not a minimal core of belief or a lowest common denominator of faith but a space or area in which to live together consider together the meaning of the love to which various faiths witness and work together to enable human flourishing Such a space the contributors believe is possible because it is the place of encounter with the divine This book is the fruit of a Project for the Study of Love in Religion which aims to create this space in which different traditions of love converge from Islam Judaism and the Christianity of both East and West Tools employed by the contributors in exploring this space of love include exegesis of ancient texts theology accounts of mystical experience philosophy and evolutionary science of the human Insights about human and divine love that emerge include its nature as a form of knowing its sacrificial and erotic dimensions its inclination towards beauty its making of community and its importance for a just political and economic life

**Where There Is Love, There Is God** Mother Teresa, 2010-08-10 Mother Teresa s relationship with God and her commitment to those she served the poorest of the poor is here powerfully explored in her own words Taken largely from her private lessons to her sisters published here for the first time Where There is Love There is God unveils her extraordinary faith in and surrender to God s will This book is in some way a sequel to Mother Teresa Come Be My Light in which her own very private spiritual struggles were explained Sent to alleviate the sufferings of the poor she assumed their struggles and pain in the depths of her heart This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades As important as this aspect of her life is that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought There is much she can teach us as we face our daily struggles or sufferings which can at times be unusually severe Where There is Love There is God though not an exhaustive anthology of Mother Teresa s teaching nonetheless shows what she believed and taught about important issues that confront all people Due to her constant interaction with people of diverse backgrounds no life situation was foreign to her and in this book her role is primarily one of teacher and guide Love is perhaps the word that best summarizes Mother Teresa s life and message The title reflects what she proclaimed during her

entire life God is alive present and still loves the world through you and through me Mother Teresa sought to be an extension of God's heart and hands in the world of today She was called to be a missionary of charity a carrier of God's love to each person she met especially those most in need Yet she did not think that this was a vocation uniquely hers each person is in some way called to be a carrier of God's love Through the practical and timely advice she offers Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters

**MOTHER TERESA** 1910-1997 was born in Skopje present day Macedonia and joined the Sisters of Loreto in Dublin in 1928 She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta Her service to the poorest of the poor became her life's work She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003

Editor of Mother Teresa Come Be My Light **FATHER BRIAN KOLODIEJCHUK** M C Ph D was associated with Mother Teresa for twenty years and is now director of the Mother Teresa Center which has offices in California Mexico India and Italy What you are doing I cannot do what I'm doing you cannot do but together we are doing something beautiful for God and this is the greatness of God's love for us To give us the opportunity to become holy through the works of love that we do because holiness is not the luxury of the few It is a very simple duty for you for me you in your position in your work and I and others each one of us in the work in the life that we have given our word of honor to God You must put your love for God in a living action

Mother Teresa From Where There is Love There is God **Compelled by Love** Ed Stetzer, Philip Nation, 2008 Trusted missionologist Stetzer and pastor Nation challenge readers to look at love within the context of God the church and the lives of individual believers They provide a basic theological grounding and a platform for personal application of missional living simply the calling to love others **Love** Donna Ashworth, 2022-10-04

restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene s call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love
