Love Is So Much More Lord A Celebration Of Marriage:

Love is So Much More, Lord Ruth Harms Calkin, 1979 **Sex, Love, and Marriage--A Celebration** Jonathan F. Bayes, 2012-09-01 Sex is worth celebrating It is one of God's loveliest gifts to the human race But the loveliness of sex is ruined whenever it is found outside the proper context of marriage And God knows what powerful temptations come our way in the area of sex The Song of Solomon is a celebration of sex and love within marriage as this book explains Jonathan Bayes draws out the practical advice implicit in the Song for husbands for wives and for courting couples He points out the warnings in the Song against sex outside the context of marriage The Song of Solomon has often been read as an allegory of the relationship between Christ and his people Jonathan Bayes does not see this as the main purpose of the Song but agrees that human relationships are a reflection of that highest love of all In *Sex Love and Marriage A Celebration* Bayes brings out the interplay between heaven and earth We are directed upwards from human love to learn about that Love divine all loves excelling Then we are brought back down to earth to make God's love for us in Christ the model which we seek to imitate in our human relationships *In the Spirit of Love* Ames, 2009 Within this book are a mixture of recent talks and interviews on the wonderful grace God has been pouring into and out of Alan Ames' life Reading and reflecting on the words people will be deeply moved by the love the tenderness and the kindness in which God reaches out to all of us His words explain sometimes in mystical and deeply spiritual ways but always with simplicity the wonder of His love for mankind and how the fullness of His love can only be found in His Holy Catholic and Apostolic Church It is amazing that the almighty God would love mankind so much that He sent His only Son Jesus to suffer and die for us This book helps bring a better understanding of the immeasurable love that God has for each one of us and in places brings those who will be open to it to a close relationship with Jesus on the cross of love *Authorizing Marriage?* Mark D. Jordan, 2009-01-10 The opponents of legal recognition for same sex marriage frequently appeal to a Judeo Christian tradition But does it make any sense to speak of that tradition as a single teaching on marriage Are there elements in Jewish and Christian traditions that actually authorize religious and civil recognition of same sex couples And are contemporary heterosexual marriages well supported by those traditions As evidenced by the ten provocative essays assembled and edited by Mark D. Jordan the answers are not as simple as many would believe The scholars of Judaism and Christianity gathered here explore the issue through a wide range of biblical historical liturgical and theological evidence From David's love for Jonathan through the singleness of Jesus and Paul to the all male heaven of John's Apocalypse the collection addresses pertinent passages in the Hebrew Bible and the New Testament with scholarly precision It reconsiders whether there are biblical precedents for blessing same sex unions in Jewish and Christian liturgies The book concludes by analyzing typical religious arguments against such unions and provides a comprehensive response to claims that the Judeo Christian tradition prohibits same sex unions from receiving religious recognition The essays most of which are in print here for the first time are by Saul M. Olyan Mary Ann Tolbert Daniel
