Enhance Your Bible Studying through the Free Filament Bible App. This app enables you to use your mobile phone or tablet to connect every page of this extra large print Bible to a vast array of related content including 25 000 study notes, 350 videos, 40 maps and infographics, 400 profiles and articles, 1 500 devotionals, Library of worship music. The Filament Bible app turns this Tyndale Bible into a powerful study and devotional experience offering more to expand your mind and touch your heart than you can possibly hold in your hand. And there is no additional cost for the Filament Bible app. No additional purchase. No additional size or weight. Of course you can use this Bible without the app, but when you want to go further, grab your phone or tablet and open the Filament Bible app. It's so easy to use. The New Living Translation is a clear and accurate English translation of the Bible. It conveys the precise meaning of the original languages in a flowing, effortless writing style that promotes comfortable and meaningful reading. This giant print Bible makes a perfect gift for young adults, adults, seniors, and those who are looking for an easier reading experience at any age.

Larger Print Bible-II-Volume 2 Jay Patrick Sr. Green, 2007. Larger Print Edition. The number one complaint about the Interlinear Hebrew Greek English Bibles by Jay P. Green Sr. has been the size of the type. This new printing is in a larger type size, much more readable for long hours of study without the eye strain. This has all of the content of the 4 Volume Interlinear Bible Set that has been published since 1985 and all the content of the 2000 Interlinear New Testament. The only complete interlinear Bible available in English and it's keyed to Strong's Exhaustive Concordance. Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's Greek Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface and are essentially the same with some minor variations to the Hebrew and Greek texts used by the KJV translators.

Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. Offering a concise literal translation of each Greek and Hebrew word, it is a great jumping off point for in-depth Bible study and text analysis. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each original word, enabling the Bible student, whether knowing the original languages or not, to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded leather over boards, hardback edition. This new edition has been much improved by a new typesetting of the New Testament, Volume IV, with larger print, the left marginal column containing a newly revised Literal Translation of the Bible, 2000, and a right marginal column containing the Authorized King James Version, 1769. The three-volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition, but in larger print. The Old Testament does not yet have the 1769 King James Version. The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers. The Strong's numbering above each Hebrew and Greek word, along with the Interlinear text and marginal literal English Translation, and the 1769 Authorized King James Version, opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. Its use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew/Greek words in the Hebrew/Greek lexicons. There is no substitute for a first-hand knowledge of the original text. However, since only a small minority of Bible students retain an easy reading comprehension of the original text, the Interlinear Bible is a welcome aid to Bible students, laymen, and pastors who wish to continue working with the original languages.

Love Like that and Other Stories, 2012. General Catalogue of Printed Books, British Museum, Department of Printed Books, 1959.

The Form of Love James Kuzner,2021-08-03 Can poetry articulate something about love that philosophy cannot The Form of Love argues that it can In close readings of seven metaphysical poems the book shows how poets of the early modern period and beyond use poetic form to turn philosophy to other ends in order not to represent the truth about love but to create a virtual experience of love in all its guises The Form of Love shows how verse creates love that can t exist without poetry s specific affordances and how poems can in their impossibility prompt love s radical re imagining Like the philosophies on which they draw metaphysical poems imagine love as an intense form of non sovereignty of giving up control They even imagine love as a liberating bondage to a friend a beloved a saint a God or a garden Yet these poems create strange striking versions of such love made in rather than through the devices structures and forces where love appears Tracing how poems think Kuzner argues requires an intimate form of reading close even too close attention to and thinking with the text Showing how poetry thinks of love otherwise than other fields the book reveals how poetry and philosophy can nevertheless enter into a relation that is itself like love

I Love My 'Puter Cindy Robison,2000-12-20 I Love My Puter was written to help you the new PC user to love your computer Filled with simple step by step instructions for Windows 98 2nd Edition this book will show you how to Bring your desktop alive with colors graphics and sounds that you love Create inspiring and fun screen savers Customize your desktop themes and find new ones Dazzle your friends with colorful and creative emails Whisk away unwanted email clutter Save and reformat those special inspiring and fun emails Create fantastic and original cards stickers word banners and flyers Thoroughly enjoy your Internet surfing experience by learning a few simple steps Get started on your own website If you are feeling intimidated and overwhelmed by your new computer this is the book for you Written for beginners by a beginner this book will help you to learn important computer skills while being creative As you learn you ll begin to see the amazing possibilities available with your computer Computer learning doesn t have to be boring or difficult what it can be is lots of fun Transform your computer fears into excitement and anticipation
