Power of the Witch Laurie Cabot, Tom Cowan, 2013-12-18 The earth the moon and the magical path to enlightenment Written by a practicing witch who conducts classes and seminars on witchcraft the oldest Western religion a means of power and enlightenment and a healing art Laurie Cabot has written a fascinating account of a beautiful and sadly misunderstood religion witchcraft She has with her life and work done a great deal to legitimize this ancient pagan form of worship I am among the ecumenical Christians who have discovered the truth about witchcraft that it is neither demonic nor evil *Power of the Witch* is a marvelous introduction to the magical and highly ethical world of wicca Whitley Strieber **The Mystic Foundation** Christopher Penczak, 2006 THE PRACTICAL FOUNDATIONS OF MODERN MYSTICISM Yes Mysticism is both Modern and Practical Too often the Mystical is seen as airy fairy and disconnected from the Real World What is this so called Real World You think you know it as that which you can touch and feel the world you plant your feet on and that feeds you You think it's really solid stuff The Real World You're wrong The Real World isn't really solid stuff and the Mystical is actually the very stuff of reality the far bigger reality that is as modern as tomorrow and as practical as money in the bank The

Mystical is about actually understanding how things really work and how you can benefit from personal exploration and experience in what some people refer to as the Magical Universe where truly real things happen and affect you in this world you thought was such a solid thing This Magical Universe where real things happen is the same universe studied by modern scientists at the cutting edge of quantum physics and consciousness and that has been studied for ages by mystics philosophers Kabbalists shamans hermeticists yogis alchemists all scientists exploring those dimensions lying behind below inside and above what you once thought of as the only real world Using Esoteric Technology It is by means of various esoteric technologies that you can actually reach in behind the scenes so to speak to touch work with or even change the inner reality that manifests in the outer world These technologies have been developed out of many differing perceptions of the inner reality that are as equally true and valid as are the many ways to describe the glory of a sunset the beauty of a rose or the glow of love Scientists and Mystics have developed many models to understand explore and relate to this hidden world each as different and yet the same as the brilliant facets on a cut diamond These have names and their validity is enhanced by their attraction to you and the beauty you find in them Certain of them speak to you as others do not and it is your choice and your opportunities to work with those that strike the right cord within you The Many Pathways to Enlightenment In this concise yet deep and insightful book many Pathways to Enlightenment are explored and their inner reality models described illustrated with diagrams and charts Alchemy Ascension Buddhism Christianity Druidism Hermetic Ceremonial Magic Hinduism Judaism Martial Arts Paganism Shamanism Shinto Sufism Thelema Theosophy Witchcraft Yoga and more accompanied by many practical exercises sacred texts and rituals for you to fully experience their power to move you between the worlds An extensive glossary of mystical terms facilitates your understanding across these many systems to build your personal realization What You Will Learn You will understand the Powers of Creation the Elements behind all Manifestation the Fundamental Forces and the Energy Centers within each person the Structure of the Inner Worlds the Spiritual Entities inhabiting other Dimensions the Nature of Sacred Spaces Time Techniques of Meditation Intuition Psychic Development the Foundations of Magic and Methods of Energy Healing You will learn both Eastern and Western Systems understand Initiation and choose the Path that is right for you You will practice Meditation Chakra Balancing Aura Cleansing Rising on the Planes Speak with Spirit Guides Dowsing the Lesser Banishing Ritual of the Pentagram Psychic Travel the Magic Circle Ritual and Explore the Symbols used by Magicians to interact with the inner dimensions
