Seven Fountains of Love Thomas W. Morris MD,2015-12-09 Events that are occurring in our world almost daily point to the possibility that we may be nearing the rapture of the church As we approach ever nearer to the time when we shall meet the Lord face to face we should begin to prepare seriously for that day In anticipation of such a magnificent experience we should begin to focus on his blessed presence with us now Seven Fountains of Love attempts to reveal from the Scriptures how it is possible to make his presence a reality in our lives He has promised never to leave or forsake those who believe in him and he delights in revealing himself to anyone who desires an intimate relationship with Father Son and Holy Spirit To begin to walk with him in this manner we must return to the cross The Seven Fountains expressed in the title speaks to the seven sources from which blood flowed from the body of our Lord during the events surrounding his crucifixion Beginning with the garden of Gethsemane and proceeding to the piercing of his side by the Roman soldiers the book attempts to show that everything needed by the believer is graciously provided including blessed intimacy with our Lord
