Igwe, 2014-01-27 Crowds of people follow Jesus Christ for different reasons Many follow Him because they want Him to solve their problems They stop following Him once their problems are solved or not solved Only a few follow Him out of genuine love and total surrender to His lordship and salvation Following Jesus Christ is written to groom disciples who will deny themselves take up their cross daily and follow Jesus Christ all the way seek first the kingdom of God and His righteousness develop personal relationship with the Lord and enjoy the ministry of the Holy Spirit thereby living victoriously every day

**His Guide to Evangelism** Paul E. Little, 1977 *God's Guide to Freedom* Carl Barrett, 2023-04-13 In a society where so many people feel helpless and hopeless they need to grasp onto someone who will release them from the bondage preventing them from attaining the beautiful things God has in store So often we don't know how to fight our spiritual battles leading to a weakened and defeated spirit This state of delusion and confusion is only the work of a dark force that's keeping people shackled in chains and suppressing their glorious life of liberty in Jesus Christ We all long for a life full of peace purpose and a plan that will lead to a glorious journey with the presence of our Lord every step of the way The reality of believing in Jesus obeying his word and knowing the truth brings spiritual freedom And such a privilege includes freedom from the bondage of falsehood For his truth sets us free This forty day devotional guide through Exodus will show us times of being in bondage to a stage of deliverance to wandering in the wilderness and how to rely on the strength and guidance of an Almighty God And that's where spiritual freedom comes to the surface in our intentional lives

Grammer, 2016-06-16 Through twenty five years of walking alongside those in conflict with their sexuality Brad has come to understand what is at the heart of same sex attraction trauma Little is understood about the concept of trauma and only recently has the method of trauma informed care come to the forefront of helping others People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion Christians also struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire Believers need to be equipped with a deeper understanding of the foundations of same sex attraction whether they face these desires themselves or have loved ones for whom they care An integral part of helping those with same sex attraction is learning what we all have in common in experiences with trauma and our reactions to it Brad draws from his own story as well as his ministry experience to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same sex attraction      Supernatural Skyline Jim Hylton, 2010-08-21 While revival may be for a season the Kingdom of God is unshakeable and never ending The Supernatural Skyline unpacks revival then proposes God's greater plan of continuing

Pate,2022-04-22 To Every People From Every People trains people to plant reproducing churches in the mainstream of unreached cultures around the world There are over two billion people living in over seven thousand such cultures who will never have an adequate chance to know Christ as Lord and Savior unless someone plants churches in the mainstream of their culture and language group This book teaches clearly and biblically about why that is important More important it teaches you how to do it It focuses on practical subjects like how to learn another language without studying it in a school and how to make an effective strategy It actually walks you through case studies with illustrations so you can get a mental picture of how to plant reproducing churches in the mainstream of any people group An earlier version of this book was originally written specifically for Latin America It was published by Editora Vida Miami Florida in several editions of Spanish and Portuguese It has long been the best selling book of its kind for many years This English edition has been revised and updated for a global English speaking audience Many

thousands of people have used this book to plant new churches in other cultures and even in their own cultures The anthropological communications and sociological principles in this book have also helped people understand the Bible better and how to apply its truths anywhere Most of all this book is designed to implant vision and passion for cross cultural ministry in the mind and heart of the reader It creates a mental image of how to do it It is a powerful tool intended for the Holy Spirit to use to thrust forth dedicated and effective laborers into the unreached harvest fields of the world
