Love in a Riddle Colley Cibber,1736 **Love's Fate** Tracey Smith,2011-03 *Love's fate* ,1885 **What Nietzsche Really Said** Robert C. Solomon,Kathleen M. Higgins,2012-11-07 What Nietzsche Really Said gives us a lucid overview both informative and entertaining of perhaps the most widely read and least understood philosopher in history Friedrich Nietzsche's aggressive independence flamboyance sarcasm and celebration of strength have struck responsive chords in contemporary culture More people than ever are reading and discussing his writings But Nietzsche's ideas are often overshadowed by the myths and rumors that surround his sex life his politics and his sanity In this lively and comprehensive analysis Nietzsche scholars Robert C Solomon and Kathleen M Higgins get to the heart of Nietzsche's philosophy from his ideas on the will to power to his attack on religion and morality and his infamous *Übermensch* superman What Nietzsche Really Said offers both guidelines and insights for reading and understanding this controversial thinker Written with sophistication and wit this book provides an excellent summary of the life and work of one of history's most provocative philosophers *Amor Mundi and Overcoming Modern World Alienation* Justin Pack,2019-10-17 Love in many premodern cultures extended to and permeated the world or even the cosmos but love in contemporary consumerist society tends to be sexualized romanticized and individualized As a result ancient visions of ethical love are difficult for moderns to comprehend especially those rooted in premodern Western thought or Native American thinkers that describe a love of the natural world that would help us live more responsibly on the Earth This volume retrieves the significant narratives of love of the world and the concomitant ethical ramifications of those visions and argues that our age of science and technology has destroyed the ancient living cosmos of previous visions and replaced it with a mechanical universe This shift has resulted in various forms of destruction diminishment and forgetfulness Overcoming modern world alienation requires recovering a sense of what it means to love the world and changing our practices to reflect our interconnection with it and our interdependency on it **Love and Life** Alfred Kreyenborg,1908 The Pedagogical Seminary ,1901 Vols 5 15 include Bibliography of child study by Louis N Wilson *Becoming Divine* M. David Litwa,2013-10-30 Some have called it the essence of sin others the depth of salvation Regardless of one's evaluation of it however deification throughout Western history has been a part of human aspiration From the ancient pharaohs to modern transhumanists people have envisioned their own divinity These visionaries include not only history's greatest megalomaniacs but also mystics sages apostles prophets magicians bishops philosophers atheists and monks Some aimed for independent deity others realized their eternal union with God Some anticipated godhood in heaven others walked as gods on earth Some accepted divinity by grace others achieved it by their own will to power There is no single form of deification indeed deification is as manifold as the human conception of God but the many types are united by a set of interlocking themes achieving immortality wielding superhuman power being filled with supernatural knowledge or love and through these means transcending normal human or at least earthly nature **Treasury of Wisdom, Wit and**
