**Finding Your Voice** Shabona Shakee Banks, 2011-04-20. Finding Your Voice is a breath-taking, inspirational, and an inspiring piece. I want for you, the reader, to be able to embrace my thoughts, my ideas, and my feelings on a life-changing level. Knowing words have power, I have combined them with an artistic and poetic dialect. I am the woman that desired to write this book and allow the world to see that I have goals, dreams, emotions, and feelings just like you. I have experienced in my life a lot of negative spirits that have led me to understand that no matter what happened to you, no matter where you come from, no matter what color you are, you have the choice and the power in changing your life and to make a difference in the world. When you totally envision and engulf your life with positive thinking, this will allow you to see things in a motivating way which can help you bring the best out of yourself. My life is changing day by day, and I thank God for this enlightenment. I hope and pray that you will read these words and meditate on them. Let them become your heart's rhythm and find some kind of understanding in your life through my life. Having felt like I had no voice, like I was invisible to people for years, was depressing, but knowledge has brought me wisdom, and knowledge also brings power. I changed my thought process, and my life now is filled with positivity and encouragement. Now I know I have a voice inside of me. This is a part of my journey and my destiny that has led me to start writing everything, my thoughts, things I went through, plus my true feelings. The end result is this, Finding Your Voice.

Isaac E. Washington, 2011-04. Wake up, you are not in the same world you recognize as yesterday. You know the place you are in; it is definitely familiar, but there is something about this place. You have been here before, but yet you do not remember being here at all. Your life has already been written between these thin lines, and now they are being read as you live through them. Please meet Derek and Marina, take a magical journey amongst the stars as they live their young lives through time and travel. Two loved ones who have been waiting to meet each other since the beginning of time. A beautiful gift that gave Marina the power to see the future is now haunting her every moment they are together, and she cannot let go. Derek is in harm's way, but destiny will not let these two go on any longer. It is sad, but it is true that once the stars are set, nothing can deny fate.
