Martyrdom CATHERINE PEPINSTER,2020-10-22 It was the Roman writer Tertullian who said The blood of the martyrs is the seed of the Church From its origins martyrdom has had a particularly honoured place in Christianity This will be confirmed again in 2020 when the Catholic Church marks the fiftieth anniversary of the canonization of the 40 Catholic Reformation martyrs of England and Wales by Pope Paul VI The sacrifices of Catholics at the time of the Reformation were matched by those of Anglicans who were also persecuted and executed for their faith for refusing to renounce it or change to another one This book examines the significance of martyrdom for Christians today particularly for the British and analyses how churches today deal with past martyrdoms of Christians by other Christians Pepinster explores how ideas of martyrdom have changed over the centuries and considers what the stories of particular martyrs tell us today She studies how martyrdom is powerfully connected with the clash between religious beliefs and political creeds and refers to Thomas Becket and Thomas More and the confrontation between Nazism and Christianity and cites more recent examples of Oscar Romero Dorothy Stang and Martin Luther King The book also looks at the issue of conscience ideas about heroism the role of violence in Christianity and the impact of martyrdom on the arts It also considers how martyrdom is perceived today when it is often part of a narrative about religious fundamentalism and terrorist atrocities

Agatha Christie J.C. Bernthal,2022-08-25 The undisputed Queen of Crime Dame Agatha Christie

1890-1976 is the bestselling novelist of all time. As the creator of immortal detectives Hercule Poirot and Jane Marple, she continues to enthrall readers around the world and is drawing increasing attention from scholars, historians, and critics. But Christie wrote far beyond Poirot and Marple. A varied life including war work, archaeology, and two very different marriages provided the backdrop to a diverse body of work. This encyclopedic companion summarizes and explores Christie's entire literary output, including the detective fiction, plays, radio dramas, adaptations, and her little-studied non-crime writing. It details all published works and key themes and characters, as well as the people and places that inspired them, and identifies a trove of uncollected interviews, articles, and unpublished material, including details that have never appeared in print. For the casual reader looking for background information on their favorite mystery to the dedicated scholar tracking down elusive new angles, this companion will provide the most comprehensive and up-to-date information.

Seamus Heaney's Gifts Henry Hart, 2024-12-13 The fact of the matter, Seamus Heaney said in a 1997 interview with the *Paris Review*, is that the most unexpected and miraculous thing in my life was the arrival in it of poetry. Throughout his career, Heaney, who received the 1995 Nobel Prize in Literature, maintained that poetry came to him from a mysterious source, like a gift of grace. He also believed that the recipient of this sort of boon had an ethical obligation to share it with others. *Seamus Heaney's Gifts*, by the noted scholar and poet Henry Hart, offers the first comprehensive examination of Heaney's preoccupation with gifts and gift exchange. Drawing on extensive research in Heaney's papers, as well as three decades of correspondence with the poet, Hart presents a richly detailed study of Heaney's life and work that foregrounds the Irishman's commitment to the vocation of poetry as a public art to be shared with audiences and readers around the world. Heaney traced his devotion to gifts back to the actual present of a Conway Stewart fountain pen that his parents gave him at the age of twelve when he left his family farm in Northern Ireland to attend a private Catholic secondary school in Londonderry. He commemorated this gift in "Digging," the first poem in his first book, and in two poems he wrote near the end of his life, "The Conway Stewart" and "On the Gift of a Fountain Pen." Friends and doctors had warned him that his endless globetrotting to give lectures and poetry readings had damaged his health. Yet he felt obligated to share his talent with audiences around the world until his death in 2013. As Hart shows, Heaney found his first models for gift-giving in his rural community in Northern Ireland, the Bible, the rituals of the Catholic Church, and the literature of mystical and mythical quests. Blending careful research with evocative commentaries on the poet's work, *Seamus Heaney's Gifts* explains his ideas about the artist's gift, the necessity of gift exchange, acts, and the moral responsibility to share one's talents for the benefit of others.
