Espinola, 2013-01-31 Catherin Alexander Love on the Internet is about two romantically driven people that have been for the greatest part of their lives unlucky in love They see the romance in the rose opening its bloom for the world to see the beauty held within as well as in the ability for two people with romantic hearts to find each other enjoying the poetic beauty of the world around them However each feels disappointed in the fact that they have not found the person that brings loves star into focus Catherin a hopeful romantic is a woman that craves romance enjoys being a woman and loves being feminine She envisions herself in romantic scenarios with a man that can hold her heart in his hands capable of loving her for the rest of her life On the other hand Alexander is not only a man of action an individual that has always enjoyed adventure never missing an opportunity to feel the adrenaline run through his veins but also a true romantic and a Southern gentleman He believes strength is best found in the way in which a
