Pamela Katz, Jessica Litwack

Love Anarchy And Emma Goldman:

Love, Anarchy, & Emma Goldman Candace Falk, 2019-06-27 More than an account of Emma Goldman's legendary career as a political activist this biography offers an intimate look into her tumultuous affair with Chicago activist and red light district gynecologist Ben Reitman As it charts her twin passions for Reitman and for social reform it provides new insights into a brilliant complex woman *Love, Anarchy, and Emma Goldman* Candace Falk, 1990 Candace Falk's biography captures Goldman's colorful life as a social and labor reformer revolutionary anarchist feminist agitator for free love and free speech and advocate of birth control And it gives the reader a rare glimpse into Goldman as a woman alone searching for the intimacy of a love relationship to match her radiant social vision Falk explores the clash between Goldman's public vision and private life focusing on her intimate relationship with Ben Reitman Chicago's celebrated social reformer hobo king and red light district gynecologist During this passionate and stormy relationship Goldman lectured in public about free love and women's independence while in private she struggled with intense jealousy and longed for the comfort of a secure relationship Falk's account draws upon a serendipitous discovery of a cache of intimate letters between Goldman and Reitman Falk then goes beyond Goldman's ten year relationship with Reitman following Goldman's inner passions through her years of exile and later life Written with a literary sensitivity Falk tells a riveting story consistently placing Goldman in the context of late nineteenth and early twentieth century radicalism *Love, Anarchy, and Emma Goldman* Candace Falk, 2019 One of the most famous political activists of all time Emma Goldman was also infamous for her radical anarchist views and her scandalous personal life In public Goldman was a firebrand confidently agitating for labor reform anarchism birth control and women's independence But behind closed doors she was more vulnerable especially when it came to the love of her life This is more than an account of Goldman's legendary career as a political activist it offers an intimate look into her affair with Chicago activist and red light district gynecologist Ben Reitman As it charts her twin passions for Reitman and for social reform it provides new insights into a brilliant complex woman The result is both a riveting love story and a primer on an exciting explosive era in American politics and intellectual life **Emma Goldman : Love, Anarchy and Other Affairs** Pamela Katz, Jessica Litwack, 1990 **Women Heroes** Julia Miles, 1987 Applause Books The English Channel the United States Government Hitler cancer these are a few of the obstacles which these extraordinary women hurdle on their way to ticker tape parades prison cells and anonymous fates These are not theatrical accolades to daring public feats the inner frontiers we learn are the most treacherous to navigate So these figures are not statues in the park being polished for public view And not heroines in a male melodrama but heroes in their own right and in their own world meet them in Julia Miles new collection from The Women's Project *Bad Sex* Nona Willis Aronowitz, 2022-08-09 Named a Most Anticipated Book by Bustle Esquire Nylon and The Millions Intimate thoughtful and accessible to anyone struggling with the persistent maddening inequities of contemporary sex Rebecca Traister New York Times bestselling author of Good and Mad From Teen

Vogue sex and love columnist Nona Willis Aronowitz a blend of memoir social history and cultural criticism that probes the meaning of desire and sexual freedom today At thirty two years old everything in Nona Willis Aronowitz s life and in America was in disarray Her marriage was falling apart Her nuclear family was slipping away Her heart and libido were both in overdrive Embroiled in an era of fear reckoning and reimagining her assumptions of what sexual liberation meant were suddenly up for debate In the thick of personal and political turmoil Nona turned to the words of history s sexual revolutionaries including her late mother early radical pro sex feminist Ellen Willis At a time when sex has never been more accepted and feminism has never been more mainstream Nona asked herself What exactly do I want And are my sexual and romantic desires even possible amid the horrors and bribes of patriarchy capitalism and white supremacy Nona s attempt to find the answer places her search for authentic intimacy alongside her family history and other stories stretching back nearly two hundred years Stories of ambivalent wives and unchill sluts free lovers and radical lesbians sensitive men and woke misogynists women who risk everything for sex who buy sex reject sex have bad sex and good sex The result is a brave bold and vulnerable exploration of what sexual freedom can mean Bad Sex is Nona s own journey to sexual satisfaction and romantic happiness which not only lays bare the triumphs and flaws of contemporary feminism but also shines a light on universal questions of desire

Emma Goldman, "Mother Earth," and the Anarchist Awakening Rachel Hui-Chi Hsu, 2021-03-01 This book unveils the history and impact of an unprecedented anarchist awakening in early twentieth century America Mother Earth an anarchist monthly published by Emma Goldman played a key role in sparking and spreading the movement around the world One of the most important figures in revolutionary politics in the early twentieth century Emma Goldman 1869 1940 was essential to the rise of political anarchism in the United States and Europe But as Rachel Hui Chi Hsu makes clear in this book the work of Goldman and her colleagues at the flagship magazine Mother Earth 1906 1917 resonated globally even into the present day As a Russian Jewish immigrant to the United States in the late nineteenth century Goldman developed a keen voice and ideology based on labor strife and turbulent politics of the era She ultimately was deported to Russia due to agitating against World War I Hsu takes a comprehensive look at Goldman s impact and legacy tracing her work against capitalism advocacy for feminism and support of homosexuality and atheism Hsu argues that Mother Earth stirred an unprecedented anarchist awakening inspiring an antiauthoritarian spirit across social ethnic and cultural divides and transforming U S radicalism The magazine s broad readership immigrant workers native born cultural elite and professionals in various lines of work was forced to reflect on society and their lives Mother Earth spread the gospel of anarchism while opening it to diversified interpretations and practices This anarchist awakening was more effective on personal and intellectual levels than on the collective socioeconomic level Hsu explores the fascinating history of Mother Earth headquartered in New York City and captures a clearer picture of the magazine s influence by examining the dynamic teamwork that occurred beyond Goldman The active support of foreign revolutionaries fostered a borderless radical

network that resisted all state and corporate powers Emma Goldman Mother Earth and the Anarchist Awakening will attract readers interested in early twentieth century history transnational radicalism and cosmopolitan print culture as well as those interested in anarchism anti militarism labor activism feminism and Emma Goldman Polyamory, Monogamy, and American Dreams Mimi Schippers,2019-10-28 This book introduces the poly gaze as a cultural tool to examine how representations of polyamory and poly lives reflect or challenge cultural hegemonies of race class gender and nation What role does monogamy play in American Identity the American dream and U S exceptionalism How do the stories we tell about intimate relationships do cultural and ideological work to maintain and legitimize social inequalities along the lines of race ethnicity nation religion class gender and sexuality How might the introduction of polyamory or consensually non monogamous relationships in the stories we tell about intimacy confound disrupt or shift the meaning of what constitutes a good American life These are the questions that Mimi Schippers focuses on in this original and engaging study As she develops the poly gaze Schippers argues for a sociologically informed and cultivated lens with which anyone regardless of their experiences with polyamory or consensual non monogamy can read culture media images and texts against hegemony This will be a key text for researchers and students in Gender Studies Queer Studies Cultural Studies Critical Race Studies Media Studies American Studies and Sociology This book is accessible and indispensable reading for undergraduate student and postgraduates wanting to gain greater understanding of debates around the key concept of heteronormativity

Feminist Interpretations of Emma Goldman Penny A. Weiss,Loretta Kensinger,2010-11-01 Bisexuality and the Eroticism of Everyday Life Marjorie Garber,2013-05-13 Bisexuality is about three centuries overdue nevertheless here it is a learned witty study of how our curious culture has managed to get everything wrong about sex Gore Vidal **Republic of Dreams** Ross Wetzsteon,2007-11-01 If the twentieth century was the American century it can be argued that it was more specifically the New York century and Greenwich Village was the incubator of every important writer artist and political movement of the period From the century s first decade through the era of beatniks and modern art in the 1950s and 60s Greenwich Village was the destination for rebellious men and women who flocked there from all over the country to fulfill their artistic political and personal dreams It has been called the most significant square mile in American cultural history for it holds the story of the rise and fall of American socialism women s suffrage and the commercialization of the avant garde One Villager went so far as to say that everything started in the Village except Prohibition and in the 1940s the young actress Lucille Ball said The Village is the greatest place in the world What other community could claim a spectrum ranging from Henry James to Marlon Brando from Marcel Duchamp to Bob Dylan from Gertrude Vanderbilt Whitney to Abbie Hoffman The story of the Village is in large part the stories old Villagers have told new Villagers about former Villagers and to tell its story is in large part to tell its legends Republic of Dreams presents the remarkable outrageous often interrelated biographies of the giants of American journalism poetry drama radical politics and art who flocked to the Village for nearly half a century

among them Eugene O'Neill whose plays were first produced by the Provincetown Players on Macdougall Street for whom Edna St Vincent Millay also wrote Jackson Pollock who moved to the Village from Wyoming in 1930 and was soon part of the group of 8th Street painters who would revolutionize Western painting E E Cummings who lived for years on Patchin Place as did Djuna Barnes Max Eastman who edited the groundbreaking literary and political journal *The Masses* which introduced Freud to the American public and also published Sherwood Anderson Amy Lowell Upton Sinclair Maksim Gorky and John Reed's reporting on the Russian Revolution Republic of Dreams is beautifully researched outspoken wise hip exuberant a monumental definitive history that will endure for decades to come

American Protest Essay and National Belonging, The , Russia in World History Choi Chatterjee, 2022-01-27 Russia in World History uses a comparative framework to understand Russian history in a global context The book challenges the idea of Russia as an outlier of European civilization by examining select themes in modern Russian history alongside cases drawn from the British Empire Choi Chatterjee analyzes the concepts of nation and empire selfhood and subjectivity socialism and capitalism and revolution and the world order in the 19th 20th and 21st centuries In doing so she rethinks many historical narratives that bluntly posit a liberal West against a repressive authoritarian Russia Instead Chatterjee argues for a wider perspective which reveals that imperial practices relating to the appropriation of human and natural resources were shared across European empires both East and West Incorporating the stories of famous thinkers such as Leo Tolstoy Emma Goldman Wangari Maathai Arundhati Roy among others This unique interpretation of modern Russia is knitted together from the varied lives and experiences of those individuals who challenged the status quo and promoted a different way of thinking This is a ground breaking book with big and provocative ideas about the history of the modern world and will be vital reading for students of both modern Russian and world history

Anarchist Voices Paul Avrich, 2021-03-09 Through his many books on the history of anarchism Paul Avrich has done much to dispel the public's conception of the anarchists as mere terrorists In *Anarchist Voices* Avrich lets American anarchists speak for themselves This abridged edition contains fifty three interviews conducted by Avrich over a period of thirty years interviews that portray the human dimensions of a movement much maligned by the authorities and contemporary journalists Most of the interviewees anarchists as well as their friends and relatives were active during the heyday of the movement between the 1880s and the 1930s They represent all schools of anarchism and include both famous figures and minor ones previously overlooked by most historians Their stories provide a wealth of personal detail about such anarchist luminaries as Emma Goldman and Sacco and Vanzetti

Comparative Patriarchy and American Institutions Francis Feeley, 2010-02-19 As Claude Lévi Strauss wrote in his book *La pensée sauvage* Paris 1960 biographical and anecdotal history is low powered history which is not intelligible in itself and only becomes so when it is transferred en bloc to a form of history of a higher power than itself The historian's relative choice is always confined to the choice between history which teaches more and explains less and history which explains more and teaches less This book oscillates between analysis which

tries to explain what man is and anecdote which tries to teach what he is capable of becoming What better approach to understanding patriarchy beyond learning the formal dictionary definitions of this term than by examining the richly diverse descriptions of gender relationships found in the following chapters It is the hope of these authors that the recognition of national differences and gender differences will provide new vantage points from which we may gain wider perspectives on our own prejudices and thereby find fulfillment of our aspirations to become more fully human **How Not to Be**

Governed Jimmy Casas Klausen, James Martel, 2011-01-13 How Not to Be Governed explores the contemporary debates and questions concerning anarchism in our own time The authors address the political failures of earlier practices of anarchism and the claim that anarchism is impracticable by examining the anarchisms that have been theorized and practiced in the midst of these supposed failures The authors revive the possibility of anarchism even as they examine it with a critical lens Rather than breaking with prior anarchist practices this volume reveals the central values and tactics of anarchism that remain with us practiced even in the most unlikely and impossible contexts **American Women's History** Glenna

Matthews, 2000-05-25 An encyclopedia of American women's history this comprehensive reference book features in depth articles on trends e g birthrates suburban growth social movements civil rights feminism ideas and concepts domesticity consciousness raising institutions Children's Bureau women in Congress organizations Girl Scouts of America League of Women Voters events American Revolution issues abortion Equal Rights Amendment key legal cases Roe v Wade Muller v Oregon laws and constitutional amendments documents and publications Ramona Declaration of Sentiments ethnic and social groups African American women Latinas overviews women's health women in music and literature and biographies of notable American women This Companion is a perfect supplement to The Young Oxford History of Women in the United States Oxford's Student Companions to American History are state of the art references for school and home specifically designed and written for ages 12 through adult Each book is a concise but comprehensive A to Z guide to a major historical period or theme in U S history with articles on key issues and prominent individuals The authors distinguished scholars well known in their areas of expertise ensure that the entries are accurate up to date and accessible Special features include an introductory section on how to use the book further reading lists cross references chronology and full index *The Republic*

Shall Be Kept Clean Tariq D. Khan, 2023-09-05 The long relationship between America's colonizing wars and virulent anticommunism The colonizing wars against Native Americans created the template for anticommunist repression in the United States Tariq D Khan's analysis reveals bloodshed and class war as foundational aspects of capitalist domination and vital elements of the nation's long history of internal repression and social control Khan shows how the state wielded the tactics weapons myths and ideology refined in America's colonizing wars to repress anarchists labor unions and a host of others labeled as alien multi racial multi ethnic urban rabble The ruling classes considered radicals of all stripes to be anticolonial insurgents As Khan charts the decades of red scares that began in the 1840s he reveals how capitalists and

government used much practiced counterinsurgency rhetoric and tactics against the movements they perceived and vilified as anarchist Original and boldly argued The Republic Shall Be Kept Clean offers an enlightening new history with relevance for our own time **Invisible Giants** Mark Christopher Carnes,2003-09-15 Highlights Our Country S Rich biographical history Fifty notable people have selected a person from the past whom they admire but feel they have not received the infamy they deserve A to Z of American Women Leaders and Activists Donna Hightower-Langston,2014-05-14 Presents biographical profiles of American women leaders and activists including birth and death dates major accomplishments and historical influence
