teach how to drop into silence let go of control live in the present and allow actions to come from a deeper source

Gendered Domestic Violence and Abuse in Popular Culture Shulamit Ramon, Michele Lloyd, Bridget Penhale, 2020-11-30

As binge watching and streaming lead to increasing amounts of content and screen time understanding how domestic violence and abuse is portrayed in popular culture and its impact on DVA in our society is more important than ever This collection demonstrates how networked communication is influencing activism both online and in the real world **Perfect**

Love, Imperfect Relationships John Welwood, 2007-03-27 A nationally known couples therapist reveals the single root cause of all relationship problems and offers revolutionary advice on what to do about it While most of us have moments of loving freely and openly it is often hard to sustain this where it matters most in our intimate relationships If love is so great and powerful why are human relationships so challenging and difficult If love is the source of happiness and joy why is it so hard to open to it fully and let it govern our lives In this book John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love s full flowering in our lives Perfect Love Imperfect Relationships begins by showing how all our relational problems arise out of a universal wound of the heart that affects not only our personal relationships but the quality of life in our world as a whole This core wound shows up as a pervasive mood of unlove a deep sense that we are not intrinsically lovable just as we are It shuts down our capacity to trust so that even though we may hunger for love we have difficulty opening to it and letting it circulate freely through us This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace these imperfections within ourselves and within our relationships as trail markers along the path to great love It sets forth a process for releasing deep seated grievances we hold against others for not loving us better and against ourselves for not being better loved And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves Written with penetrating realism and a fresh lyrical style that honors the subtlety and richness of our relationship to love itself this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world *Heart of the Living God* Michael G. Maness, 2004-06-23

Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is Gods gift to us in our Imago Deithe image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I want to get personally involved says Maness Can we have a free will relationship with anyone even God if all of what we do and think is settled I dont think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Manes brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theisms avoidance of Love And he exposes some foul play in the process Thats the first half of the book For those wanting to strike out on their own wanting to see more of the depth

and diversity of the Grand Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just about everything in the book Maness has thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at www.PreciousHeart.net

Transcendence By Perspective Bryan Crable,2014-07-15 The nine contributors to this collection examine rhetorician Kenneth Burke s understanding of transcendence applying it to a wide range of social and political issues including racial and presidential politics

Journey to Love Janeen Michael-Lanier,2009-04 Abused The Preacher s Wife Divorced These were not my character traits or career choice yet these associations and marks on my life gave me my public identity This identity s influence was so strong it broke my personal courage Could I break the silence and confess my pain to God Would He hear my prayers and heal me if I walked away from ministry Would He discard me if I got a divorce After taking an honest look at my life I truly wondered if He even loved me at all For years I lived with the disconnection between the truth of God s Word which proclaimed His Love for me and my ability to dwell daily in the confident security that truth inspires The distress in my heart was so great and securing God s love seemed so elusive that I made attempts to cure myself Unfortunately I wound up causing myself greater injury as I sought out alternatives that I could intellectually grasp and measure up to Each substitute for His love that I gathered failed me miserably til finally I answered God s question to me Janeen will you let me love you After many hills valleys scrapes and falls I placed my hand in His and made the discovery of a lifetime He created me to Love me I didn t have to beg barter or steal for love The Love that I so desperately longed for was inside of me All I had to do was accept and receive the awesome gift But the twists and turns of the pathways travelled to arrive at the place of clarity and wholeness was an absolutely incredible Journey to Love I am so glad that God is Love He miraculously loves me and you in the midst of and through each of our life s pathways

Be Still: A Journey of the Heart Noah Reese,2023-09-11 Be Still A Journey of the Heart arose as God took

Noah Reese on a journey In his secret place with God the author began to journal about what they focused on Whether it was current events fears sins relationships or dreams nothing was off limits As the author engaged with God he learned some powerful lessons such as There must be space in our thoughts to be still before the Lord If we never train our hearts and minds to bow to the Lord we will never hear His transforming whisper or feel His healing touch He is constantly thrilled to be with us and more excited than we are to share His heart with us and wrap us up in His loving arms With these devotionals the author urges readers to be aware of the Holy Spirit Come with brokenness and humility and lay everything at the feet of Jesus The author s wish is that God will place this book in the right hands of the right people at the right time to bless their future
