Never could I have imagined what an amazing journey was set in motion These intensely personal letters capture my hopes and fears as my wife and I progress through the various stages of IVF our daughter s stay in the NICU and our first year as a family From giving my wife daily shots to staring at the various screens monitoring my newborn daughter the book attempts to capture the emotions of a loving husband and father trying to be the man both his girls need The book concludes with my honest unadulterated reflections on having going through IVF and the NICU My hope is that my candid sharing may help others gain a greater sense of the emotions involved in having an IVF or NICU baby **Daddy's Home** Ivan Menchell, 1986

there through thick and thin and when they re gone forever what do you do How do you feel At the age of eighteen how are you supposed to feel especially when the person you lost has made plans for you ahead of time and decided that you need someone to take care of you and to keep you on track Would you ever have thought that by having that person around would actually be good for you and he might even be the one you fall for Do we see that there are true people on this planet that can love and make you whole again even though your world fell from beneath you Altarpieces Michael D.

O'Kelly, 2011-05-18 Fire lies at dawn Winged essences charred bodies still on re This evocative poetry essay collection issues a call for a renewed embracement of the readers own expressive self Weve each a persona to hear a voice to resonate through silences of night and the noises of everyday Life is a mystery hard to crack We bang it like a door and strum it like a lyre until it opens some new portal through which the voice can authentically sound out the truths of being human Thats the happening

of this book Altarpieces have always been artistic creations to conceive life's sacred space. This book follows that tradition if rather untraditionally. These pieces speak to hear life on one's own terms from one's own altar and cathedral. This gathering created a poet self identity called Apokstrophes. The essays join with the poems to conceive poetry and the spiritual quest with a renewed existential eco romantic perspective sounding that quest with both feet grounded on worldly other Planet Earth. The challenge to grasp life at the core is a wrenching wrestling match with the Other that ever present dimension of poetry on life's path. Joining philosophical play with the authenticity of word pieces as true orients O'Kelly's book with many poets helping along the way has taken up that challenge with unflinching creativity. Want a spiritual adventure Fly Take the ride Oh the ride Fins spurred in shivers of hide Life's dearness reined in the roll of the tide **Pop -- Poetries on Purpose** Michael D.
