A Healthy Relationship Perspective Nate Imoniruwe, 2020-12-20 Making a relationship connection occurs daily It is a universal phenomenon that is part of the human experience and it happens to people of all ethnicities and backgrounds Nonetheless not all relationships are founded on a healthy perspective The greatest threat to relationship or marital longevity is not the lack of love but the lack of a healthy relationship perspective Your mindset will determine your approach to a relationship and will regulate its success or failure Finding true love remains a dream most people hope to experience someday Being in a love relationship is easy especially in the beginning The challenge is finding the right person who fits perfectly in your life and understands you This challenge facing many relationships can be overcome starting with a change of one s perspective about relationships on personal level Nate Imoniruwe provides practical wisdom and insight coupled with experiential and biblical principles to help you understand how to build a meaningful and healthy relationship He also helps guide you down the right relationship path with purpose and proper perspective in mind **Jet** ,2003-09-22 The weekly source of African American political and entertainment news The Golden Hour Patricia Dianne Pintar, 2022-05-30 Judith s Story The story begins in the University of Wisconsin Hospital Emergency Room on a stormy November evening as doctors and nurses struggle to save Judith Von Trier s life Twenty minutes earlier Judith had crashed across the center line into oncoming headlights Critically injured under the brilliant operating lamp Judith lifts and floats near the ceiling of the trauma room looking down at herself in the scene below Defibrillator paddles slapped in place jolt her like a blast of lightning sending her into an oppressive black void In that moment she realizes she is in The Tunnel looking to the far off white light at the end of it A small object begins to materialize out of the light and draws closer Moments later a newborn infant girl drops into her arms Judith is struck with immediate understanding that she holds her future life her next incarnation in her arms and she knows what she must do to survive First she must travel back forty seven years to watch her life relived It is April of

1954 again Judith views her own birth through the eyes of a newborn Her life revealed before her just as it happened a happy early childhood tragic losses first love and heartbreak She is driven to avoid any future pain and takes harsh control of her life and everyone in it until she reaches the moment of the crash again Baby s Story Then more frightening Judith must see into her possible future life as Baby should she die Judith wraithlike is compelled to watch as surreal scenes unfold before her For the second time in the span of one hour of her life she sees the moment of her own birth Judith must wait until Baby s story is finished knowing all this will happen if she dies and the terrifying white light tries to claim her She must stand by helplessly while trying to find her one chance to survive Love Notes from God Amanda Burke,2011-09-27 Grief and loss are taboo subjects A mother doesn t want to talk about her child who died Or does she A woman who miscarries isn t losing as much as a mother who loses a newborn Or is she A father doesn t grieve as much as a mother Or does he Our culture is full of misconceptions about grief and loss Few mention the thousands of miscarriages and stillbirths the babies and small children who die every day leaving parents with empty arms and grieving hearts The journey through grief can be long and lonely for the families left behind Love Notes from God examines how parents cope when they go through a miscarriage or lose an infant Find out what you can say or do to help them and also learn what is never appropriate to say to someone who is grieving
