Love in the Time of the Apocalypse Gregory Blecha, 2005-02-17 Though a dystopian novel hovering over the imminent collapse of American civilization at the hands of a techno authoritarian state Love in the Time of the Apocalypse is also a book about the triumph of love and humor over the fatal gravitas of life and death It is part future nightmare part whimsical farce of the present Love in the Time of the Apocalypse is a work of playful conspiratorial pop delirium and pastiche full of lovable terrorists state run breeding houses Amish casinos vulgar action scenes the antichrist tongue and cheek hyper masculinity perhaps sit ups can save the world and a bourgeois love story to top it all Readers who love Science Fiction Dystopian Literature and Conspiracy Theory will find this book chock full of fresh and clever fare The speculative details are much more subtle than works on the

post apocalypse The reader can feel both drawn into a bit of a future shock while at the same time remain anchored in a familiar albeit terrifying present Blecha has a way of pulling from current trends of government suppression of freedoms and stretching them ever so softly to their possible conclusion Thus rather than a world of utter totalitarianism such as Orwell's 1984 we are presented with a more plausible more friendly fascism that a society founded on consumerism and entertainment might bring about Without coming across as a writer with an agenda Gregory Blecha offers a strong but playful critique of State power the smothering inefficiency and corruption of bureaucracy and the role of the over stimulated under critical herd of middle class consumers and middle managers of a collapsing North America Tramps plague victims nihilists and nymphomaniacs along with the main character a WASP drawn into their exciting world make for the heroes of the story The villains are the lifeless and systematic processes of the Federal Government the Department of Health the Department of Overpopulation and the technological control systems of modern life and yet even these are rendered with an air of playfulness that allows the reader to smile as the world comes crumbling down

The Doctrine of the Apocalypse

Hermann Gebhardt, 1878 *Love in a Time of Loneliness* Paul Verhaeghe, 2018-04-17 The first essay *The Impossible Couple* is both a humorous and razor sharp analysis of the contemporary relationship between man and woman In the second essay *Fleeing Fathers* the author demonstrates that today the Freudian Oedipus complex has disappeared with a resulting shattering of classic gender roles Post modern morals are strange compared to previous morality because they convey an obligation to enjoy Things become even stranger when one finds that the expected enjoyment fails to come and instead of that we are faced with boredom anxiety and anger The author reconsiders the opposition between Eros and Thanatos as an opposition between two forms of sexual pleasure The fact that this opposition is ever present in heterosexual love demonstrates that gender differentiation goes beyond temporal cultural forms Accessibly written and provocatively argued *Love in a Time of Loneliness* is a polemic whose very informality belies its serious intent In these three fascinating essays The author leaves the ordinary paths of thinking and sets out to discover what drives us in sex and love
