Love in Vein Two Poppy Z. Brite,1997 A celebration of the aphrodisiac qualities of blood and flesh Kirkus Reviews

Love in Vein Poppy Z. Brite,1995-08-21 A sexy new repackaging of the extremely popular anthology of vampire erotica edited by acclaimed author Poppy Z Brite The classic horror tale is about fear But in the last few years a new literature of the macabre has arisen one that goes deeper than horror beyond fear to explore our darkest most intimate hungers The ones even lovers are forbidden to share Acclaimed dark fantasy author Poppy Z Brite has brought together this genre s most powerful and seductive authors in an original collection of vampiric erotica a shameless celebration of unspeakable intimacies It is not for everyone But neither is the night **Motion Picture Herald** ,1971 **Love in Vein I** Poppy Z. Brite,2010-06-01 **Blood in the Rain 2** Cecilia Duvalle,Mary Trepanier,2016-10-25 This collection of 19 stories contains

sexually explicit tales featuring vampires **Bloody Kisses** Dark Press,2013-09-25 It is with great pleasure I bring you
Bloody Kisses II The first installment of this series was published when the company was only a couple years in existence yet
the vampire erotica requests and submission trickled in over time enough for me to publish a sequel I think that sexuality and
vampires go together more than any other type of scary story and there is much more to it than just the power of the
intensity in vampires passions I think it also has to do with our adrenaline rush out of fear combined with our own primal
responses merging with the surge of blood flow I have written much on the very subject in my own non fictional book Allure
of the Vampire Our Sexual Attraction to the Undead back in 2007 Men and women attracted to either the opposite sex or any
other combination of coupling for that matter has long been a part of vampires and erotica Dating back long before celluloid
motion pictures poetry of Europe was quite titillating an the book Carmilla by J Sheridan LeFanu was perhaps the oldest
lesbian vampire tale ever Poppy Z Brite in her collection Love in Vein and many others now bring the style of writing into our
day and age Fans of vampires will never tire of their ravenous appetites for we mere mortals and I for one am happy to know
that I hope you enjoy this collection as much as I did while putting it together From the Introduction by Corvis Nocturnum
Vampire erotica from authors like Veronica Kegel Giglio Paul McFall P J Craft Scarlet Norton Duperre GreenWillow Gena
Mantz Angel Edenburn and the French work by the author ATANAS
