

And now these three remain:
faith, hope and love.
But the greatest of these is love.

Love In Verse:

4D LOVE Nikki Garcia, 2024-02-14 4D Love is an engaging ebook that delves into the profound dimensions of God's love. Through insightful explorations of scripture and real life anecdotes from the author, readers are taken on a journey to understand the breadth, length, depth, and height of God's love. The book emphasizes how life's challenges often hinder our ability to fully experience this divine love. By examining how God tests and refines our love, the ebook illustrates the transformative power of love in our lives, ultimately leading to spiritual growth and maturity.

International Handbook of Love Claude-Hélène Mayer, Elisabeth Vanderheiden, 2021-05-04 This handbook is the winner of the William B. Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research. This handbook includes state-of-the-art research on love in classical, modern, and postmodern perspectives. It expands on previous literature and explores topics around love from new cultural, intercultural, and transcultural approaches and across disciplines. It provides insights into various love concepts like romantic love, agape, and eros in their cultural embeddedness and their changes and developments in specific cultural contexts. It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation, globalisation, and the fourth industrial revolution. The handbook covers a vast range of topics in relation to love: aging, health, special needs, sexual preferences, spiritual practice, subcultures, family, and other relationships, and so on. The chapters look at love not only in terms of the universal concept and in private, intimate relationships but apply a broad concept of love which can also, for example, be referred to in postmodern workplaces. This volume is of interest to a wide readership including researchers, practitioners, and students of the social sciences, humanities, and behavioural sciences. In the 1970s through the 90s, I was told that globalization was homogenizing cultures into a worldwide monoculture. This volume, as risky and profound as the many adventures of love across our multiplying cultures, proves otherwise. The authors' revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is. But that's what love does. It communicates what it offers, what can be, and pleads for what must be. I know you'll enjoy this wonderful book as much as I do. Jeffrey Ady, Associate Professor, retired Public Administration Program, University of Hawaii at Manoa, Founding Fellow, International Academy for Intercultural Research. The *International Handbook of Love* is far more than a traditional compendium. It is a breath-taking attempt to synthesize our anthropological and sociological knowledge on love. It illuminates topics as diverse as Chinese love, one-night stands, teen romance, or love of leaders and many more. This is a definitive reference in the field of love studies. Eva Illouz, author of *The End of Love: A sociology of Negative relationships*, Oxford University Press. This is not a volume to be read in a single sitting, though I almost did due to a protracted hospital stay, nor is it romantic or inspirational reading, though in some cases I had hoped for more narrative examples and case studies. Rather, it is a highly diverse scholarly effort, a massive resource collection of research papers on love in a variety of contexts, personal and professional settings, and cultures. The work is well referenced, providing

a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George F Simons on amazon com Please see Claude H l ne Mayer s interview related to the handbook in LeanHealth Talks published by Bernadette Bruckner <https://www.youtube.com/watch?v=yVNXA9sWuWo> Please see Claude H l ne Mayer s interview related to the handbook published In Iran News Daily <https://newspaper.irandaily.ir/nid/6941/pid/6/type/0> **Daily**

Teachings and Studies by Topic of the New Testament Miguel Moreno,2023-01-05 When I first became a Christian and for the first twenty two years of my life with Christ I didn t know that I didn t know that I wasn t a mature Christian I was not taught how to and what it took to grow spiritually and become a spiritually mature Christian But even so I still thought that I was a mature Christian After all in all those years I had come to know and learned a lot of things about the Bible God s Word and about God I even served Him What I didn t know was that my growth was merely intellectual but not spiritual It wasn t until after twenty two years that God in His love through His Word and with the help of His Holy Spirit taught me what it really took for me to grow spiritually He taught me the things I needed to go through in order to understand what it takes to become a spiritual mature Christian as well as a true servant of God Now He is using me to share His studies in this book so He can help many Christians understand the importance and what it takes to start growing spiritually not just intellectually from the moment they believe and receive Jesus as their Savior and Lord as well as the dangers of becoming stagnant or allowing the enemy to take them to a state of conformism in their own spiritual growth According to Ephesians 4 13 15 God wants us to get all the way to the measure of the stature of the fullness of Christ that we all may grow up in all things into Him who is the head Christ So I pray that as you read and study this book with the help of the Holy Spirit and God s Word God will show you and help you understand what it takes for you to grow spiritually until you become spiritually mature and until you get to the fullness of Christ so you can become everything that He wants you to
