Bonar,2023-09-01 God speaks to us through the Bible That Book embodies His words Creation itself is the visible embodiment of His power and wisdom It is the result of His words This Book of His is in a different way the effect of His speaking It is His written wisdom and power There is His voice to us The thunder and tempest are His loud voice of grandeur The sunshine and the gentle breeze are His still small voice But deeper clearer keener softer and still more penetrating than all of these is His written Word to us The Bible is what it is because it contains the words of God It is through the Word and in connection with it that God communicates with us The Word revives Your word has revived me Psalm 119 50 The word produces faith Faith comes from hearing Romans 10 17 The Word strengthens comforts heals nourishes and revives It gets into contact with each part of our souls and works its own work there And it does this because it is divine No human words could be trusted to work the work in a human soul so unrestrictedly It is not eloquence poetry nor argument but something more than all these together It is something peculiar and indescribable which man could not have formed and which he cannot understand that makes it so suitable for the soul of a foolish and sinful man **365 Level steps Volume 2:**

Decreation and the Ethical Bind Yoon Sook Cha,2017-06-01 In Simone Weil s philosophical and literary work obligation emerges at the juncture of competing claims the other s self affirmation and one s own dislocation what one has and what one has to give a demand that asks for too much and the extraordinary demand implied by asking nothing The other s claims upon the self which induce unfinished obligation unmet sleep hunger drive the tensions that sustain the scene of ethical relationality at the heart of this book Decreation and the Ethical Bind is a study in decreative ethics in which self dispossession conditions responsiveness to a demand to preserve the other from harm In examining themes of obligation

vulnerability and the force of weak speech that run from Levinas to Butler the book situates Weil within a continental tradition of literary theory in which writing and speech articulate ethical appeal and the vexations of response It elaborates a form of ethics that is not grounded in subjective agency and narrative coherence but one that is inscribed at the site of the self's depersonalization

Born Breech into Covenant: the Experience of Mother Carol Bosworth, 2009-07-23 Each of us has a lifetime in which to discover our way to belong within our particular experience of times and events Instead of an operating manual our families and cultures give us expectations for who we are and what is our place in the world This is the story of my journey into the calling of motherhood that I did not understand and struggled to reject Conscientious wrestling with the experiences of motherhood eventually taught me how entangled love and anger can be and how suffering is inseparable from both Finally a deeper call to love confronted me

Heart Fiat Desmond Francis Xavier Kon Zhicheng-Mingde, 2024-09-26 Let our scars fall in love Galway Kinnell said In this compelling book Desmond Francis Xavier Kon Zhicheng Mingde moves his love language over old wounds deep cuts now seemingly inappreciable Scarred over and smoothed out by grace Yet how reasoned and magnificent the rising for air the lyric ascent that wraps a heady mix of theological imagination and handsome aesthetics without pause or apology This is a hearty nod to Hans Urs von Balthasar's three transcendentals of Being beauty goodness truth In these poems one experiences the full bodied witness of Catholic piety one that remains brave vulnerable curious devoted and above all reverent The lines traverse a broad lustrous terrain from Mount Olivet to Macau Malacca to Montreal From Caravaggio's Deposition of Christ to Salvador Dalí's Ascension of Christ From the Church of Agios Lazaros to the Church of the Sepulchre of Saint Mary One walks through Ordinary Time to Advent and looks on the year Ash Wednesday fell on Saint Valentine's Day Without reservation there remains an adoring love for the Holy Eucharist And veneration for what is an impressive host of saints from Saint Monica to Saint Rose of Lima Saint John of the Cross to Saint Josemaría Escrivá How do our conversations with God inhabit their own speech acts then settle comfortably into the contemplative the deep quiet of silence How does the language of the confessional translate itself into confessional poetry the expressed lyric turning itself over and over again how iterative how manifold the unfolding and infolding A language always stationed in a state of contingency open in its gentle evolutions by turns yet all at once The fragile transformations as delicate and faint as they remain illumined uplit

Always looking heavenward toward the light toward transcendence **Back Roads to Israel** Maxwell Thurston, 2019-02-07

The origin and emphasis of the Judeo Christian faith began with the call of Abram Concerning salvation have you ever asked why there s a need or a purpose for a call in the first place And besides who was God actually talking to in the land of Ur

Back Roads to Israel is a study of Jesus s spiritual ancestry and background Author Maxwell Thurston helps explain how Abraham a man of flesh and bones has a direct ancestral lineage to Jesus because if Jesus is the Son of God then there must be spiritual DNA that connects him with the Lord our God who is in heaven Knowing the spiritual avenues taken by Abraham will take us to the beginning of creation when the living word was with God If you are able to travel the unbeaten path the back roads of Abraham then it will help clear up confusion about Jesus especially the part where we read From thy father s house
