experiences Book 3 Live in your brother sisterhood your wholeness      **Living in the World** Theodore Ihejieta, 2018-06-21  
 Living in the World By Theodore Ihejieta Living in the World is a book of love and life called circle of positive energy and energy of sunlight The book is a book of Planet Earth because the living planet gave sunlight energy to the author of living in the world The author is a human being who did not like the way human beings were suffering in the world and thought that he needed to do something in order to improve the standard of living in the world Author Theodore Ihejieta was born into a Christian family who believed in God and trusted God to protect them from evil and death Death killed the author's father which made him stop trusting God Death killed the immediate junior brother of the author and made him declare war against God The author read many religious books and discovered that human beings did not know God because human beings did not have the intention to know God Ihejieta wants to know God and succeeds in knowing God because God showed Himself to him when he started questioning the integrity of God Living in the World is a healing book for human beings to absorb and chase death away because living in the world destroys the fear of God and the devil of God in human beings      Live. Inspired. Raymond Paul, 2019-10-23 Live Inspired is a collection of my own creation It speaks to how I have been choosing to live my life each day When my true inspirations are attached to that which I intend I feel the Universe opening up to a whole new world of abundance opportunity and discovery The affirmations loved into existence throughout the pages of this book were born in each instance from a single word When that one word magically appears and is combined with the powerful energy of life an amazing transformation takes place A shift In alignment and in balance A true and meaningful call The ability to see and to imagine with brilliant clarity A path A destined journey of love hope joy and happiness The Universe showing guiding and sharing in her beautiful way Like a powerful river that flows effortlessly downstream seeking yet confident in its direction and its quiet knowing It is simple yet strong Realizing all of its potential while always being so perfectly on course It is exactly on time perfectly positioned and positively aligned with all as it was so naturally intended Like a Life So beautifully Lived Inspired Aligned and on Purpose      *Heat* Nick James, 2019-07-25 Robert de Niro and Al Pacino have acted opposite each other once and that was in Heat Michael Mann's operatic 1995 heist thriller De Niro is Neil McCauley a skilled professional thief at the centre of a tight knit criminal team Pacino is Vincent Hanna the haunted driven cop determined to hunt him down Boasting a series of meticulously orchestrated setpieces that underline Mann's sense of scale and architecture Heat is also a rhapsody to Los Angeles as Hanna closes in on his prey For Nick James the pleasures and virtues of Heat are mixed and complex Its precise compositions and minimalist style are entangled with a particular kind of extravagant bombast And while its vision of male teamwork is richly compelling it comes close to glorifying machismo But these complexities only add to the interest of this hugely ambitious and accomplished film which confirmed Mann's place in the front rank of American film makers      **Soulful Reflections** Dr Philip Morphew, 2018-08-30 Words are more than just a bunch of letters They hold immense power to inspire motivate action and evoke a plethora of feelings Words often swirl

within our minds triggering ideas sending us into deep contemplation At their worst words can be used to cut down demean or cause suffering but at their best they hold even greater power In his life Dr Philip Morpew has found that words can lift him to great heights give him hope and bolster his spirit On the flipside words can also cause him to retreat to dark corners curl up in the fetal position or teeter on the edge of life itself Soulful Reflections is a mixture of all these emotions written in gritty contemporary style This collection of poetry explores the many facets of lived experience from love and lust to emptiness and loss Morpew does not shy away from difficult emotions rather he plunges into life's complexities and offers readers an emotional respite Through themes of surrender love liberty and death his words offer a release from the craziness of life for those seeking more meaningful navigation

their doctrines and restrictions does not give them the needed free hand to address the problem considering the dynamism that characterize life at that stage so the problem has continued unabated Quest for Ideal Marriage is written without unnecessary doctrinal restrictions to unveil those avoidable human mistakes which the young people especially make in their quest for an ideal marriage With recourse and sincerity an Ideal Marriage is of course attainable by anybody who will discipline his herself and follow the rules as handed down in this book The difference between successful and unsuccessful marriage is simply distractions If people have made their marriage work you too can make yours work All you need is to acquire the relevant information as contained herein and intelligently follow the rules in its application and you will contract and enjoy a successful marriage That is a promise It is not a magic Zig Ziglar once said Just any dummy can succeed if he cares to know what it takes in this book you have it
