

Lost Love

**Tell me young man
Why are you so numb?
You don't care if I die
Yet you tell me I'm dumb**

**My heart is shouting at your ear
You're so deaf that you can't hear
Now I'm paralyzed with fear
'Coz all things are so unclear**

**Why did you leave me for her?
Though she can't love you truly
Please come back my long lost love
And I'll cherish you dearly**

**Tonight if you're not back
I'll just cut my wrist and die
My heart will be as hard as rock
And I'll keep these feelings in a lie**

Love Lost:

A Concordance to Shakespeare's Poems Helen Kate Rogers Furness, 1875 **Sex and the Goddess** Karin E Weiss Ph.D., PhD, 2019-11-25 It has been over twenty years since the full manuscript of my book was edited for publication in 1998 I had begun writing it in the previous decade the 1980 s a period of flourishing women s liberation movements against the patriarchal status quo Books about women s sexuality and spirituality were flooding the bookstores and many writers were producing profound studies of the untold heroism of women throughout history I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School s Program in Human Sexuality In addition I conducted women s self enrichment groups and workshops in my private practice Woman s Discovery Institute where I also gave professional Astrology readings and classes This rich mix of psychology philosophy spirituality and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women s unsung heroism throughout history It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi layered lives I based my theory on the lunar cycle which is eternally linked to women s menstrual emotional and psychic cycles With a friend I created a series of workshops for women to celebrate their many faceted selves and gain confidence to pursue their goals Yet for various reasons my book manuscript remained in my own bookshelf never getting published Until now the times again call for women to claim their autonomy and gain equality in an overly male dominated and viciously callous world I am blessed to find in Xlibris a publisher ready to take on the project with me I am thrilled to finally see my Life s Masterwork in print You will find many divergent ideas in these two volumes No single woman encompasses all that are described but as you read and recognize these characters in yourselves and your friends I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers **Love's Curriculum** Jenny Hogg Ashwell, 2015-11-11 As our companions through the current spiritual Awakening Jesus the archangels and other spiritual teachers have gathered as the High Council and now share with us in Love s Curriculum their messages of enlightenment These Divine messages have a clear goal To awaken us to the Love that connects all You hold in your hands the High Council s gift to you a guidebook for this journey Through Divine grace and enormous trust Jenny Hogg Ashwell travelled a path from lawyer to student of spirituality and mother of three to spiritual counselor and intuitive to learn of her soul s assignment to scribe Love s Curriculum for the High Council and bring forth their messages to the world It is with great humility courage and gratitude that she has done just this Now it is your turn Let Love s Curriculum gently awaken within you the memory of Love as you uncover your soul s Divine purpose Let it guide you to ignite Love in the world The time has come to join in the Awakening We wish for you to read Love s Curriculum Within its pages you will find the Bounty of Love and Light to which you have been called for which you have been dreaming and desiring to fill within you the void Within its pages are the answers contained the magic brought forth the truth illuminated for all to hear and see Let Love s

The Box Man Kobo Abe, 2011-12-14 Kobo Abe the internationally acclaimed author of *Woman in the Dunes* combines wildly imaginative fantasies and naturalistic prose to create narratives reminiscent of the work of Kafka and Beckett In this eerie and evocative masterpiece the nameless protagonist gives up his identity and the trappings of a normal life to live in a large cardboard box he wears over his head Wandering the streets of Tokyo and scribbling madly on the interior walls of his box he describes the world outside as he sees or perhaps imagines it a tenuous reality that seems to include a mysterious rifleman determined to shoot him a seductive young nurse and a doctor who wants to become a box man himself *The Box Man* is a marvel of sheer originality and a bizarrely fascinating fable about the very nature of identity Translated from the Japanese by E Dale Saunders
