Story has to do with a young man who was very handsome bright and ambitious in school whose name was Tommy and who everyone called the Whiz Kid because of his super intelligence His ambition was to be a photographer and of course he pursued his course with hard work and firm determination His big break came when he had almost completed his early education he was introduced to one of his teacher s friend who was a professional photographer named Mr Drake During some time at the Studio he met four of his old social girlfriends from his school and very soon intimate friendships began on different occasions After five years with Mr Drake he went overseas and continued his education to become an amateur photographer Before he left his first girlfriend became pregnant but of course he could not marry her at such time and he didn t even tell her that he would be going over seas until the last moment Tommy also did not inform the other girls until actually a few weeks before he departed Over seas Tommy attended two different photographing schools where he excelled and graduated and received all his diplomas In those schools he also met and became intimate friends with three other lovely girls and on his way home after completing all his schooling he met another beautiful lady on the flight She had just completed her course in Law and was also returning home She and Tommy became intimate friends which only lasted a short time because Tommy was bent on marrying his first lover who had a baby for him and was still patiently waiting his return Sometime soon they were married in a double wedding that included himself and his wife s mother with Mr Drake who both had developed an intimate friendship After the wedding Tommy changes his life style became a Christian bought Mr Drake s studio had a larger family and lived happily after **Plot: The Never Ending Dramas** Vincentia Devina Aurora; Brigita Woro Diyatni; Kusumaningtyas; & Laurentia Jessica Putri Zenita,2022-01-31 This book contains compilation of English Language Education Study Program students creative writing in form of play scripts The students who are mostly from batched 2018 worked in groups to continue the plot of one of two selected one act plays As their final project in Drama course they showed their original ideas Happy reading **The End Where I Begin** Sumeet Santani,Noopura Deshpande, So you think rich people are always blissful Yes Think again What if you have everything but still have nothing What if you are so poor that all you have is money This is what our hero Arjun Jhaveri the son of a leading business tycoon of Gujarat feels He has everything a lavish lifestyle friends and family then why is he still incomplete Love Can a girl love a rich boy to the core Or will she love him only to the core of his wealth How does his heart beat faster than a jet on seeing Chahat Malhotra Why doesnt he want her to know his background What is he hiding Richer the family background bigger the number of skeletons in the closet With Chahat his lady love by his side he sets on a rip roaring journey to find true peace of mind along with wealth But why does he end up hating his wealth even more Is it right what they say that it is better to laugh your heart out on a cycle than sit and cry in a BMW The Conservator ,1908 *The Complicated Life of the African-American Man* Jonathan Richardson,2006-03 Reasons from Within Alan H. Goldman,2009-11-26 Do the reasons

we have for acting as we do derive from our concerns and desires or are there objective values in the world that we are rationally required to pursue and protect Alan H Goldman argues for the internalist or subjectivist view of practical reasons on the grounds that it is simpler more unified and more comprehensible than the rival objectivist position He provides a naturalistic account of practical rationality in terms of coherence within sets of desires or motivational states and between motivations intentions and actions Coherence is defined as the avoidance of self defeat the defeat of one s own deepest concerns The demand for coherence underlies both practical and theoretical reason and derives from the natural aims of belief and action In clarifying which desires create reasons drawing on the literature of cognitive psychology Goldman offers conceptual analyses of desires emotions and attitudes Reasons are seen to derive ultimately from our deepest occurrent concerns These concerns require no reasons themselves but provide reasons for many more superficial desires In defense of this theory Goldman argues that rational agents need not be morally motivated or concerned for their narrow self interest Objective values would demand such concern They would be independent of our desires but would provide reasons for us to pursue and protect them They would require rational agents to be motivated by them But Goldman argues we are not motivated in that way and it makes no sense to demand that our informed and coherent desires be generally other than they are We need not appeal to such objective values in order to explain how our lives can be good and meaningful Reasons from Within will appeal to anyone interested in the nature of values and reasons particularly students of philosophy psychology and decision theory
