Love Never Ends:

True Love; Never Ends !!!!!!! J. D. Odom (Jr.),2011-11-24 A true and uplifting love story of how God showed his Love and Grace A love story that gives and comfort to the hurting 1-2 Corinthians Gerald L. Bray,Thomas C. Oden,2006-10-05 In Paul s letters to the Corinthian church the pastoral issues of a first century Christian community stand out in bold relief This ACCS volume highlights the wisdom of Paul s epistles to the Corinthian church as interpreted by early church fathers such as Chrysostom Didymus the Blind Theodore of Mopsuestia Origen and Ambrosiaster *Reconstructing Christianity in China* Philip L. Wickeri,2015-03-04 Chinese Public Theology Alexander Chow,2018-01-19 It has been widely recognized that Christianity is the fastest growing religion in one of the last communist run countries of the world the People s Republic of China Yet it would be a mistake to describe Chinese Christianity as merely a clandestine faith or as hoped by the Communist Party of China a privatized religion Alexander Chow argues that Christians in mainland China have been constructing a more intentional public theology to engage the Chinese state and society since the end of the Cultural Revolution 1966 76 Chinese Public Theology recalls the events which have led to this transformation and examines the developments of Christianity across three generations of Chinese intellectuals from the state sanctioned Protestant church the secular academy and the growing urban renaissance in Calvinism Moreover Chow shows how each of these generations have provided different theological responses to the same sociopolitical moments of the last three decades This study illustrates how a growing understanding of Chinese public theology has been developed through a subconscious intermingling of Christian and Confucian understandings of public intellectualism These factors result in a contextually unique understanding of public theology but also one which is faced by contextual limitations as well With this in mind Chow draws from the Eastern Orthodox doctrine of theosis and the Chinese traditional teaching of the unity of Heaven and humanity Tian ren heyi to offer a way forward in the construction of a Chinese public theology *Ford's The Modern Theologians* Rachel Muers,Ashley Cocksworth,2024-03-18 Captures the multiple voices of Christian theology in a diverse and interconnected world through in depth studies of representative figures and overviews of key movements Providing an unparalleled overview of the subject The Modern Theologians provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers The fourth edition of The Modern Theologians is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide It offers new perspectives on key twentieth century figures and movements from different geographical and ecclesial contexts There are expanded sections on theological dialogue with non Christian traditions and on Christian theology s engagement with the arts and sciences A new section explores theological responses to urgent global challenges such as nationalism racism and the environmental crisis

Providing the next generation of theologians with the tools needed to take theological conversations forward

The Church in China in the 20th Century Chen Zemin, 2019-03-11 While the Peoples Republic of China is officially an atheist country Christianity continues to experience rapid growth on the Chinese mainland Many observers see the country as on the way to becoming the world's most Christian nation Yet there is widespread ignorance in the English speaking world about how the Chinese Christian community fared during the decades prior to China's opening up to the West in the aftermath of the historic visit of Richard Nixon to Beijing in 1972 This collection of essays the first of them published in 1939 provides an invaluable record of developments in mainland Chinese Christianity during that period and for the remaining decades of the twentieth century The fact that the essays were all authored by a key participant in the Protestant churches in China provides significant added value Professor Chen discusses a wide range of important topics various stages of rural and urban development the Three Self principles for structuring officially sanctioned worshipping communities Bishop K H Ting's advocacy of a genuinely indigenous Chinese theology patterns of international cooperation worship seminary education and much more These essays make a unique and significant contribution to the Western understanding of Asian religious life in the twentieth century

1 Corinthians Anthony C. Thiselton, 2011-05-03 Anthony Thiselton's lengthy New International Greek Testament Commentary volume **The First Epistle to the Corinthians** 2000 has become a standard work on 1 Corinthians In this shorter commentary Thiselton draws on his excellent exegesis from that volume but combines it afresh with keen practical and pastoral application for readers at all levels Thiselton delves deeply into the context and text of Paul's first Corinthian letter as he suggests section by section how the book applies to pastoral and practical issues He draws vivid parallels between the growing church in Corinth and the

twenty first century church demonstrating that today's church also faces a seductive culture of competition and consumerism. The church in Corinth preferred its self-centered theology to the Christ-centered gospel of the wider apostolic church. Paul's response in 1 Corinthians amplified by Thiselton's commentary becomes a living practical transforming word from God for Christians today.

Prospering On God's Promises David Wesley Reid, 2022-08-05. Enough is enough. Contemporary culture has become so antagonistic to Christian beliefs and values that it has put many Christians on the defensive. This isn't good, it isn't necessary, and it isn't right. Christianity is good news, enduring in its truths and applicable to all persons in all places at all times. We Christians never need to feel defensive about what we believe. Christ is God's unique revelation in history, and the Christian message is life-giving. God has given us so many great promises in his word that reinforce the timeless vitality and applicability of the Christian message: promises that prosper the soul. This book is all about these great promises offered in daily devotional form and complete with a brief prayer. Christians survive and thrive on God's promises. They're the spiritual air we breathe. Believing and trusting in God's promises will make us spiritually healthy, and if you will, prosperous.
