Buckley Jr.,2008-10-28 Let Us Talk of Many Things first published in 2000 brings together Buckley s finest speeches from throughout his career Always deliciously provocative they cover a vast range of topics the end of the Cold War manners in politics the failure of the War on Drugs the importance of winning the America s Cup and much else Reissued with additional speeches Let Us Talk of Many Things is the ideal gift for any serious conservative **The Christian Library** ,1835 **Works** Jonathan Edwards,1808 For the Love of His Own Creation: A Novel by Yeshua ben Yosef Jane Gartshore,2017-07-14 In 2015 an unknown Canadian medium who was dedicated to seeking truth was given the opportunity to channel a unique message from spirit a novel about God s love for humanity It was Yeshua ben Yosef known to many as Jesus Christ who composed this great work and transmitted it to the medium The purpose of the novel was to teach anew the importance of our relationship with God As the characters of the book experience joys and tragedies in their lives and are faced with seemingly insurmountable challenges we see the results of lives lived without a conscious relationship with God contrasted with those lived in harmony with His will From there the reader will be inspired to explore his or her own relationship with God *The Delights of Wisdom Pertaining to Conjugal Love* Emanuel Swedenborg,2019-11-25 In *The Delights of Wisdom Pertaining to Conjugal Love* Emanuel Swedenborg offers a profound exploration of the nature of love and marriage intricately weaving together philosophical insights with mystical intuition Written in the 18th century the work emerges from Swedenborg s larger body of writings that bridge spiritual ethical and psychological dimensions of human experience Through his unique literary style characterized by a mixture of allegory and direct discourse he delves into the metaphysical foundation of conjugal love arguing for its divine origins and transformative power Swedenborg employs rich metaphors and vivid imagery inviting readers to ponder the sacred significance of marital union beyond societal norms Emanuel Swedenborg was a Swedish scientist philosopher and theologian whose intellectual journey radically shifted after a series of spiritual experiences led him to a life of mystical inquiry His background in natural science informs his theological work establishing a remarkable synthesis between rational thought and spiritual wisdom Swedenborg s divine revelations catalyzed his writings and his explorations of love particularly within the context of marriage reflect his commitment to understanding the deeper spiritual realities that govern human relationships I highly recommend *The Delights of Wisdom Pertaining to Conjugal Love* to readers interested in the intersections of love spirituality and philosophy Swedenborg s insights resonate not only with those seeking to deepen their understanding of marriage but also with those pursuing a richer spiritual life This landmark work challenges conventional perceptions of love ultimately urging us to embrace the profound connections that transcend the mundane **Conjugal**

Love Emanuel Swedenborg,2013-11-19 This work published in 1768 when Swedenborg was eighty years of age was the first of the author s theological works on the title of which his name appeared It treats of the relation of the sexes of the nature and origin of love truly conjugal and of its indissoluble nature of the marriage of the Lord and the Church and its correspondence of the spiritual conjunction of partners in true marriage of the change effected in both sexes by marriage of the causes of disaffection separations and divorces of the causes of apparent love friendship and favor in marriage and of iterated marriages To which is appended a treatise on Adulterous or Scortatory Love in its various degrees showing it to be in its nature the very opposite of Conjugal Love The Journal of Egyptian Archaeology ,1928 *The Book of the Knight Zifar* Charles L. Nelson,2021-12-14 The Book of the Knight Zifar or Cifar Spain s first novel of chivalry is the tale of a virtuous but unfortunate knight who has fallen from grace and must seek redemption through suffering and good deeds Because of a curse that repeatedly deprives him of that most important of knightly accoutrements his horse Zifar and his family must flee their native India and wander through distant lands seeking to regain their rank and fortune A series of mishaps divides the family and the novel follows their separate adventures alternatively heroic comic and miraculous until at length they are reunited and their honor restored The anonymous author of Zifar based his early fourteenth century novel on the medieval story of the life of St Eustacius but onto this trunk he grafted a surprising variety of narrative types Oriental tales of romance and magic biblical stories moralizing fables popular since the Middle Ages including several from Aesop and instructions in the rules of proper knightly conduct Humor in the form of puns jokes and old proverbs also runs through the novel In particular the foolish wise Knave offers a comic contrast to the heroic Knight whom he must continually rescue through the application of common sense Zifar was to have an important influence on later Spanish literature and perhaps on Cervantes great tale of a knight and his squire Don Quixote All those with an interest in Spanish literature and medieval life will be grateful for Mr Nelson s excellent translation which brings to life this extraordinary early novel **The Love of Religious Perfection, Or, How to Awaken, Increase, and Preserve it in the Religious Soul** Joseph Bayma,1865 *The Works of Jonathan Edwards* Jonathan Edwards,1839 A Concordance to the Holy Scriptures ... The Love of My Youth Mary Gordon, 2011-04-05 From the acclaimed author of Pearl and Final Payments comes a beautifully choreographed novel about first lovers meeting again after more than thirty years and reimmersing themselves in their shared past Miranda and Adam high school sweethearts now in their late fifties arrive by chance at the same time in Rome a city where they once spent a summer deeply in love living together blissfully At an awkward reunion the two who parted in an atmosphere of passionate betrayal in the 1960s and haven't seen each other since are surprised to discover that they may have something to talk about Both have their own guilt their sense of who betrayed whom and their long held interpretation of the events that caused them not to marry and to split apart into the lives they've led since both are married to others with grown children For the few weeks they are in Rome Adam suggests that they meet for daily walks and get to know each other again Gradually as they take in the pleasures of the city and the drama of its streets they discover not only what matters to

them now but also more about what happened to them long ago Miranda and Adam are masterfully portrayed characters intent upon understanding who they are in relation to who they were A story about what first love means and how it is shattered and the lessons old lovers may still have to share with each other many years later The Love of My Youth is also a poignant look back at the hopes and dreams of a generation and what became of them **For the Love of Mom** Maria Bailey,2013-04-02 From teaching us to tie our shoes to parallel park from outfitting us for our first dance or our first day in the dorm room our moms have been our chief counselors cheerleaders critics chauffeurs and chefs For the Love of Mom pays homage to the special women who rocked us raised us championed us challenged us and at times exasperated us Whether a woman becomes a mom by giving birth or through the blessings of adoption or step parenting she will be moved inspired and entertained by these true stories that share both the monumental milestones and everyday moments of motherhood Some stories are humorous some heartfelt others will help moms through the trying times yet all underscore the devotion and dedication we admire most about mothers While the experience of motherhood is different for every woman one thing is universal it s almost impossible to fathom the myriad of joys and triumphs encountered on the journey For the Love of Mom celebrates moms and the uniquely important roles they play in our lives
