Love One Another From Your Heart:

Love One Another, My Friends Augustine, 2009-01-02 Augustine's interpretation is spiritual his were not scholarly or academic concerns and John Leinenweber's translation is fresh and accessible capturing the clarity brilliance and inspired passion of the original John has said many things stated Augustine and almost all of them concern love The first six of the ten homilies were delivered on the days of the Easter octave This period proved too short for Augustine to cover the whole of the letter and he preached four additional homilies later in the spring In his Confessions Augustine spoke of his great longing as a youth to love and be loved a topic that appealed greatly to his listeners During the course of delivering these homilies he was interrupted time and again by applause and shouts of enthusiasm The ten homilies are broken up into twenty four short chapters for example The Commandment of Love Two Loves of God and of the World Christ and Antichrists Unanswered Prayer God is Love God Has Loved Us First Love Casts Out Fear His are in large part moral teachings dealing with such topics as prayer our enemies fear of God the church the world so important in Saint John's writings What does one actually do to love God and others What are the pitfalls of loving How can one learn to love more Throughout the homilies Augustine's great desire to love and be loved and to live eternally with God are eloquently expressed Believing himself ignorant of Scripture he had initially considered himself ill prepared for the priesthood Augustine's subsequent tireless studies unleashed a stream of biblical commentaries that led him to be ranked with Thomas Aquinas as one of the greatest teachers the Western Church has ever produced and one of its greatest Fathers His towering intellect molded the thought of Western Christianity and his ideas dominated the thinking of the Western world for a thousand years after his death Augustine wrote profusely explaining and defending the faith Called Doctor of Grace his best known works are his Confessions one of the greatest spiritual classics of all time and City of God an exposition of a Christian philosophy of history **Yes We Can Love One Another!** Warren Angel, 1997 You have heard and read a lot about the things Catholics and Protestant don't have in common Here's a book which tells you what we do have in common You don't have to change churches to learn how to love other believers in Jesus Christ Warren Angel helps to remove barriers to fellowship by breaking down misconceptions Christians believe about each other and shows us how in Christ we can be a Church of Power and joy in the Holy Spirit

Children, Love One Another Kathleen B. Polo MD, 2021-05-05 Let us draw near to God Hebrews 10:19 There is no separation from God apart from our own sin which causes us to move away Baptism in the Spirit has washed and purified us to stand in his presence Draw near each day by daily inviting the Holy Spirit to open our hearts and minds Norman Lawson was a United Methodist pastor who served from 1956 to 2012 While cleaning her parents storage unit ten years ago his daughter Dr Kathleen Polo unearthed a box filled with more than fifty years of his sermons rich with spiritual insight that paralleled the current events of several decades in American history After pulling thirty meditations from the sermons and presenting them to her father on his eightieth birthday Kathleen eventually decided to create a compilation of these

inspirational writings for every day of the year Within a daily devotional inspired by the work of the Holy Spirit Kathleen shares insight into faith current world struggles and biblical truths intended to enrich the faith journey and stimulate the mind Throughout the writings Kathleen offers encouragement to believers to be bearers of Christ's light to show love for others while following the path of Jesus to let God's truth find us and much more Children Love One Another is a collection of daily devotionals that invites spiritual seekers to open their souls to a heartfelt interpretation of God's love *How to Grow Your Heart's Garden for God* Jonathan Martin,2016-11-09 We all know that life can be hard and working in the garden and trying to grow a garden is hard work In our lives if we want to grow spiritually closer to God it takes work and effort in each of our hearts The truth that God gives us is from his Word It is the seeds that we need to plant in our lives and be willing to accept The seed has to have water so it can grow We need the active working of God in our lives so the truth can come alive in our lives As we grow we need be close to God's will in our lives in the light of His will for our lives so we can continue to grow for him As God prepares us to do his work we must be rooted in the foundational truths that God has for us in his Word Like a garden we have to be aware of the dangers that come in and can contaminate our effectiveness for God All the steps that we need to take so that we might be fruitful for God to have a final product that is worthy before God when one day we meet him I hope that you will take the journey and see that you too can have a beautiful garden for God **Deceived** John Baptista,2024-01-02 Praise God I was born and raised in a place and time which my extended family had little There was never enough food and clothing was sparse I grew up without a father though notwithstanding having many females in the family there were always men around In this continual scenario I was able to see what sin really is and how it takes advantage of the deceived eventually taking their lives I completed an online seminary course and improved my knowledge of God's Word I held church services in my home weekly for over ten years I have led many people to Christ and counseled them concerning how the deceiver was trying to rob them I pray that God remembers that I shared the love he shares with me **Love One Another** John Rogers,2023-12-05 God defines himself in Scripture as the very embodiment of love 1 John 4 16 As his children he commands us to imitate him by loving one another deeply and authentically a command that is second only to love for God and belief in his Son Jesus Christ In Love One Another John Rogers delivers the definitive playbook for Christians who want to love in this manner Armed with Scripture and a keen intellect he begins by discriminating between genuine and counterfeit marks of love then diagnoses common spiritual ailments that manifest as a lack of love within us Pastor Rogers then concludes by illustrating how Christians can show the love of Christ to their enemies unbelievers outside the church the poor and finally to fellow believers Originally published in 1629 this timeless text has been meticulously edited to benefit a new generation of Christian readers Archaic language has been gently modernized and helpful footnotes have been added to aid the reader It includes a biographical preface many helpful footnotes and review questions designed to facilitate group discussion or personal reflection Love Begins at the Heart of God K L Rich,2014-03-26 LOVE Everyone
