

Existence is God called  
through love, provoked  
through love. The moment you  
become capable of prayer,  
existence becomes God. The  
moment you become capable  
of deep love, life becomes  
God. It is a transfiguration of  
the same energy.

Are Men from Mars and Women from Venus No The earth is in fact the home base for both sexes So why are we so different Because God created us that way Men and women were created with radically different ways of thinking feeling and perceiving But when we check the Bible we see that God never intended these differences to create the incredible friction they do in today The good news is that God has already woven into His Word the perfect solution to this friction Pastor author and conference speaker H Dale Burke s book *Different By Design* is aimed at exposing the myth that men and women are too different to live in harmony He contends that God s master plan includes harmony between men and women in marriage When the inevitable struggles come into a relationship Burke states that we need heavenly down to earth biblical guidance for building healthy relationships We all want to build stronger relationships whether we re single dating married or passing along advice to grandkids *Different By Design* provides an excellent framework within which to achieve that goal Our differences do not surprise God He wired us He understands He loves us And He provides us with a map to navigate these tricky waters      *The Covenant Service.
