Love Queen Of The Amazon:

The Love Queen of the Amazon Cecile Pineda, 2001 *The Love Queen of the Amazon* Cecile Pineda, 2001-11 This hilarious novel is a feminist spoof on the mostly male magical realists of the Boom generation **The Love Queen of the Amazon** Cecile Pineda, 1992-01-01 **Bardo99** Cecile Pineda, 2002-11-01 Depicting the 20th century as a character this novel explores what happens when that character dying passes through a Bardo state an intermediate state of the soul between death and rebirth **Redoubt** Cecile Pineda, 2004 Told in the voice of a lone holdout standing guard on an unnamed frontier Redoubt addresses questions of conception and birth gender war and the slouch toward Apocalypse Structured like a series of jazz riffs its thematic underpinnings are drawn in part from the dictionary definitions that introduce each section back cover *Fishlight* Cecile Pineda, 2001 Told in the voice of a five year old girl who sees more than she understands this novel chronicles her passage through sickness the separation of her parents and a maze of secret lives all with the richness of her budding imagination *Face* Cecile Pineda, 2003 When a Brazilian man's face is disfigured he attempts a grisly self surgery in this novel of survival Show and Tell Karen Christian, 1997 What elements are present for a body of writing to be considered Latina o Through the analysis of nine recent Latina o novels Karen Christian melds the theory of performativity with the latest scholarship on ethnicity and ethnic literature to create a framework for viewing identity as a continuous process that cannot be reduced to static categories *Frieze* Cecile Pineda, 2007 This poetic narrative discusses the creative life of a 9th century Indian stonecarver who is drafted at an early age to spend his entire life working on the thousands of statues that fill the niches of an Indonesian temple Exploring the muse artist relationship as few works of fiction have done this novel is an intensely political work a parable that pits the blind cruelty of a feudal ruler against the creative expression of a single slave **Tough Love** Kathryn Schwarz, 2000 An exploration into representations of the Amazon and how they were essential to both homerotic and heterosexual social constructions in early modern English texts **Bound by Love** Laura Mattoon D'Amore, 2011-05-25 What does it mean to be bound by love Sometimes the bonds of love supply bliss and sometimes they demand sacrifice Sometimes experiencing love saves people and sometimes it kills them Being bound by love often engenders moral responsibility in other cases it enslaves and imprisons the soul American mythologies especially those presented in film and television perpetuate love as the central narrative of one's life the search for a connection forged by love permeates every facet of human existence from our desire to be accepted or our longing to be needed to our fury at being rejected Sometimes love is the stuff of happiness fulfilling in every regard But there are also times when love makes us do things we should not do sometimes it turns us into people we do not want to become The commonality between love that satisfies and love that destroys is the bond between people who open themselves to the vulnerability of love Examination of the theme of familial bonds in film and television explores how the process of forming and maintaining those bonds complicates revises and reproduces ideas about love The chapters in this book explore how the

nature of bonds and familial responsibility inform a popular cultural dialogue about the changing nature of the American family over the past sixty years

River Without a Cause Sam Moses, 2024-03-05 A riveting journey down Theodore Roosevelt's river of doubt with a diverse crew of adventurers, scientists, and Indigenous leaders who shine light on the past, present, and future of a natural wonder. Sam Moses took part in the adventure of a lifetime when he, along with seventeen men and two women, embarked on the Rio Roosevelt Expedition. They would follow the former president's wake down five hundred miles of extreme whitewater into the dark heart of the Amazon. The party was guided by two chiefs from the Cinta Larga tribe, the same tribe that stalked Roosevelt's expedition in 1914, who, between rapids, tell the story of the tribe's own Trail of Tears. After the wildest whitewater is past, Moses travels with the chiefs to their village to witness the massive illegal mahogany logging from their forest, the Roosevelt Indigenous Territory. *River Without a Cause* puts us in the raft during those heart-pounding rapid descents as we experience the drama, dynamics, and disputes between the Bull Moose and his co-leader, Brazil's most famous explorer, the rigid Colonel Candido Rondon. As the Amazon stands on the precipice of hope with the election of a new Brazilian president, *River Without a Cause* is a moving and galvanizing tale of adventure that is a fitting tribute to this world wonder.

Amazon Nights Arthur Cofresi, 2018-05-30 References of Amazons date back to the time of Plato, where he mentions trade between the Amazons and the island nation of Atlantis. In the *Iliad*, a reference is made as to a battle that occurred between the Amazons, an ally of Troy, and a Greek contingent led by the Greek hero Achilles. The battle ended with the death of the Amazon queen, and therein lies the beginning of my tale. The novel *Amazon Nights* explores the question of whether a civilization of women or men, for that matter, can exist without having some interaction with the other sex. The answer to that question rests with the plight of the new queen to produce a female heir to the throne. For that, she needs the assistance of a man, one that can woo her, seduce her, excite her, and eventually impregnate her. The chosen male for this union has other ideas. He wants more: a relationship that is an unconditional commitment to love. And while these two people work out their differences, a plot to overthrow the queen unfolds, and a new king sets off to claim the Amazon world. Monitoring the events as they unfold is a champion for both the Amazon queen and her lover, the great goddess Hera. She, too, is seeking an unconditional commitment to love and will do all within her power to aid the lovestruck pair. The final chapter culminates in a battle said to be too insignificant to be chronicled in the history books, but be forewarned: there can be only one winner, as revealed when the day blends into Amazon nights.

The Love Queen of the Amazon Cecile Pineda, 1993-07-01 This hilarious novel is a feminist spoof on the mostly male magical realists of the Boom generation.

Amazon: the Twelfth Queen P. Dotson-Randle, 2016-07-13 Before they were Amazonian queens they were simply mothers concerned about their children at the hands of man So long ago two children went missing one a young teen witch and one a young fairy child Missing and unaccounted for unbeknownst to each witches and fairies alike it would begin a reconciliation which was thousands of years delayed Both witches and fairies worried with grief began a search for their youth only to be met with the truth of their demise at the hands of the savage man Neither people could have foreseen the unification of their world nor could they have predicted that they would become the most powerful people of all the dimensions And that they would call their most beautiful land and dimension Amazon named after the place in another dimension where the last talisman of the Great Elders Wall was found at the beginning of the age of the elders long ago No one could have foreseen the following events that led up to the missing of the twelfth queen And unless they find her all the accomplishments they've achieved since the brutality of the missing girls so long ago will be lost While the search is on to find the twelfth queen and to find out what happened to her time is running out as man has grown a thousand fold and is even more brutal as they once were long ago The highest of the all witches and fairies alike was the twelfth queen and without her guidance they are faltered unsure and on the verge of internal war As they close their prayers with We are the time and we are one there are those around the queens table that worry silently if the twelfth queen is even still alive And if she is not their steadfast fears just may become reality A war among the witches and fairies with man gravely on their very doorstep threatening to destroy them both would cripple witches and fairies alike Separately they believe man can defeat them each blaming the other for lack of focus and an overall weaker spirit And if this worried insecure reasoning grows among them it could cost them everything So her most cherished and dearest of friends Dartilia searches and searches for her anywhere and everywhere all in hopes of finding her most cherished and dearest of friends Fayla As she searches she remembered all Fayla had taught her and how she came to be known as Fayla gentle and cruel however still loved by most but clearly and urgently missed by all
