Love Songs Old New:

Uke Ballads: A Treasury of Twenty-Five Love Songs Old and New Ian Whitcomb, 2011-08-18 In this wonderful collection Ian Whitcomb shows how to handle the uke in such a romantic way that the gently murmuring strums emerge to act as a sweet stream of accompaniment upon which one's vocals can float along smoothly and pleasingly All of the classic ballads included in this book were originally published before the ukulele established itself as an instrument to be taken seriously by the pop industry before it became the 1920s equivalent of the rock guitar the music on the companion compact disc is performed by Ian Whitcomb and his various bands and orchestras the music is written in standard notation with chord symbols and fretboard diagrams for soprano or tenor uke in standard G C E A tuning Lyrics are also included **Love Songs** Ted Gioia, 2015-01-14 The love song is timeless From its beginnings it has been shaped by bohemians and renegades slaves and oppressed minorities prostitutes immigrants and other excluded groups But what do we really know about the origins of these intimate expressions of the heart And how have our changing perceptions about topics such as sexuality and gender roles changed our attitudes towards these songs In *Love Songs The Hidden History* Ted Gioia uncovers the unexplored story of the love song for the first time Drawing on two decades of research Gioia presents the full range of love songs from the fertility rites of ancient cultures to the sexualized YouTube videos of the present day The book traces the battles over each new insurgency in the music of love whether spurred by wandering scholars of medieval days or by four lads from Liverpool in more recent times In these pages Gioia reveals that the tenderest music has in different eras driven many of the most heated cultural conflicts and how the humble love song has played a key role in expanding the sphere of individualism and personal autonomy in societies around the world Gioia forefronts the conflicts controversies and the battles over censorship and suppression spurred by such music revealing the outsiders and marginalized groups that have played a decisive role in shaping our songs of romance and courtship and the ways their innovations have led to reprisals and strife And he describes the surprising paths by which the love song has triumphed over these obstacles and emerged as the dominant form of musical expression in modern society *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1978 **Shotgun Lovesongs** Nickolas Butler, 2014-03-11 NATIONAL BESTSELLER Impressively original The New York Times Sparkles in every way A love letter to the open lonely American heartland A must read People The kind of book that restores your faith in humanity Toronto Star Welcome to Little Wing It's a place like hundreds of others nothing special really But for four friends all born and raised in this small Wisconsin town it is home And now they are men coming into their own or struggling to do so One of them never left still working the family farm that has been tilled for generations But others felt the need to move on with varying degrees of success One trades commodities another took to the rodeo circuit and one of them even hit it big as a rock star And then there's Beth a woman who has meant something special in each of their lives Now all four are brought together for a wedding Little Wing seems even smaller than before While lifelong bonds are still

strong there are stresses among the friends between husbands and wives There will be heartbreak but there will also be hope healing even heroism as these memorable people learn the true meaning of adult friendship and love Seldom has the American heartland been so richly and accurately portrayed Though the town may have changed the one thing that hasn't is the beauty of the Wisconsin farmland the lure of which in Nickolas Butler's hands emerges as a vibrant character in the story Shotgun Lovesongs is that rare work of fiction that evokes a specific time and place yet movingly describes the universal human condition It is in short a truly remarkable book a novel that once read will never be forgotten *Poems* Arthur Reed Ropes, 1884
