The Wiccan Spells Book Dayanara Blue Star, 2015-01-10 Wicca is also known as Witchcraft and The Craft. It is a religion that emphasizes nature, peaceful living and spirituality. As such, it is vastly different than Satanism, with which it is sometimes confused or unfairly compared to. Another singular feature of Wicca is its belief in magic. Wiccans practice a vast array of Wiccan spells and rituals, such as Wiccan spells for love and Wiccan healing spells. Wiccan spells go beyond protection. Other examples are Wiccan money spells and Wiccan spells for love and healing. Wiccan money spells are meant to grant the spellcaster more money in their life. Money spells will increase a person's luck in earning and receiving money and make them more overall successful financially. Wiccan love spells may make the spellcaster more attractive in general or they can be catered to make someone attractive to one particular individual. Some Wiccan love spells might even make a person fall in love with the spell user. The Wiccan faith has an incredible range of spells and magic that are incredibly interesting to study.
