How to Be an Adult in Love David Richo,2014-01-07 We were made to love and be loved Loving ourselves and others is in our genetic code It s nothing other than the purpose of

our lives but knowing that doesn't make it easy to do. We may find it a challenge to love ourselves. We may have a hard time letting love in from others. We're often afraid of getting hurt. It is also sometimes scary for us to share love with those around us and love that isn't shared leaves us feeling flat and unfulfilled. David Richo provides the tools here for learning how to love in evolved adult ways beginning with getting past the barriers that keep us from loving ourselves then showing how we can learn to open to love others. He provides wisdom from Buddhism psychology and a range of spiritual traditions along with a wealth of practices both for avoiding the pitfalls that can occur in love relationships and for enhancing the way love shows up in our lives. He then leads us on to love's inevitable outcome: developing a heart that loves universally and indiscriminately. This transcendent and unconditional love isn't just for a heroic few. Dave shows it's everyone's magnificent calling. **Lady Isobel's Champion** Carol Townend, 2013-07-01. His Lady in Waiting. But when the comte finally returns to claim his bride, Isobel finds instead a man of contradictions: one who masks dark secrets with desire. Wary of a man's touch but desperate to grasp her new freedom, Isobel must decide if it's solely duty forcing the comte to marry or whether he is truly her longed-for champion. *Lover's Embrace* C. Do you want to find balance, peace and joy amid the ups and downs of everyday life? Renowned spiritual teacher, global humanitarian and tireless advocate for peace, Gurudev Sri Sri Ravi Shankar has changed the lives of millions of people around the world for the better. Yet many in the West have not been introduced to his profound and practical approach to living a spiritual life. This book will change that. In June of 1995, Gurudev began a weekly tradition of creating a short talk, often on a subject that was relevant to current events or in response to questions posed by audiences at his international gatherings. What resulted were powerful words of wisdom, much celebration, laughter, lightheartedness and messages of inspiration and encouragement. *Notes for the Journey Within* is a collection of those transcribed talks spanning almost a decade. Gurudev's teachings can make a huge difference in how you live your life, interact with your family, friends and coworkers and understand your spiritual path and how you walk it. This extraordinary compilation of insights can help you on your journey within to that all-encompassing love, joy and peace at your core. [The Handbook of Sexuality in Close Relationships](#) John H. Harvey, Amy Wenzel, Susan Sprecher, 2004-04-26. Although sexuality is an integral part of close romantic relationships, research linking these two constructs has been less systematic than other areas pertaining to close relationships. The editors' goal is to integrate this research into one volume. They bring together major

scholars from the diversity of fields working on close relationship topics to examine past contributions and new directions in sexuality The emphasis is on theoretical integration and stimulation methodological rigor and critical analysis This volume explores early sexual experiences and their impact on late life sexuality how life's stresses impact sexuality and satisfaction with closeness the affect of postpartum depression on sexuality and the relationship between control power anger as well as revenge and sexual processes in couples The Handbook of Sexuality in Close Relationships is intended for students and researchers in the disciplines of social clinical developmental and health psychology family studies counseling and interpersonal family and health communication An excellent reference in advanced courses in close relationships taught in psychology communications sociology anthropology and family studies the material in Part V will also appeal to clinical psychologists health professionals and policymakers
