Through use and abuse this boy forfeited his wellbeing as he subjects his life to trials and tribulations Violations of the established legal system brought to life correctional facilities psychiatric institutions and reformatory schools As he violated others he left passages and ways for others to violate him As intelligent as he was he brought all his lessons to be learned into his existence Although this story is told with 25 years of Hindsight in those 25 years of psychological understandings lessons of how to cope and deal with life were included in every step of the story If we as adults could only have had the wisdom when we were experiencing our lives as children our worlds would all be different places **Report of Her Majesty's Commissioners Appointed to Inquire Into the Management and Government of the College of Maynooth** Great Britain.
