The Disciples According to Mark C. Clifton Black, 2012-12-13 Redaction criticism attempts to identify biblical authors theological interests by examining their adaptation of sources Focusing on representative studies of Jesus disciples in the Gospel of Mark this pioneering book by C Clifton Black has become the standard evaluation of that method's exegetical reliability Comprehensively reviewing recent scholarship Black identifies three distinctive types of redaction criticism in Markan interpretation He demonstrates that diverse redaction critical interpretations of the disciples in Mark have bolstered rather than controlled scholarly presuppositions to a

degree that impugns the method's reliability for interpreting Mark. The book concludes by assessing redaction criticism's usefulness and offering a more balanced approach to Mark's interpretation. This second edition includes a substantial detailed afterword that revisits the book's primary issues, converses with its critics, and provides an update of Markan scholarship over the past twenty-five years.

The Gospel According to Mark James R. Edwards, 2002. This new Pillar volume offers exceptional commentary on Mark that clearly shows the second Gospel though it was a product of the earliest Christian community to be both relevant and sorely needed in today's church. Written by a biblical scholar who has devoted thirty years to the study of the second Gospel, this commentary aims primarily to interpret the Gospel of Mark according to its theological intentions and purposes, especially as they relate to the life and ministry of Jesus and the call to faith and discipleship. Unique features of James Edwards's approach include clear descriptions of key terms used by Mark and revealing discussion of the Gospel's literary features, including Mark's use of the sandwich technique and of imagistic motifs and irony. Edwards also proposes a new paradigm for interpreting the difficult Little Apocalypse of chapter 13, and he argues for a new understanding of Mark's controversial ending.

Mark Timothy J. Gedder, 2001-01-23. Timothy J. Gedder views Mark as a profound theologian and accomplished writer, not a mere compiler of traditions. Mark's text provokes careful reflection on its subtle and challenging message of hope and its call to faithfully follow Jesus on the way. Mark's Gospel speaks plainly yet sometimes in riddles of God as revealed in Jesus of Nazareth, the Christ, the Son of God. Mark presents God's reign, its present hiddenness and future glory, and its surprising way of coming. Mark is also about Jesus and his followers crossing barriers to pass God's grace on to those formerly excluded. Mark's resurrection message is open-ended. Readers supply their own ending, not just in words but by following their resurrected Lord. Includes essays on themes useful for teaching, preaching, and Bible study; bibliographies; charts; two maps; and an index of ancient sources.

Mark Robert Gundry, 2000-05. This monumental work presents a careful, well-argued alternative reading of the Greek text of Mark, a reading that pays special attention to such literary devices as word order, chiasm, inclusio, asyndeton, and the historical present tense. Driving the commentary is Gundry's provocative, seldom-defended thesis that Mark's Gospel constitutes a straightforward apology for the shameful manner of Jesus' death, as such Mark is essentially an evangelistic tract rather than an obliquely written handbook of Christian discipleship and church life. Sure to become recognized as the heavyweight English commentary on the Gospel of Mark, this massive commentary, rich with exegetical detail and critical assessment of the secondary literature, makes an important contribution not only to Markan research but also to the study of the historical Jesus. Christian Scholars Review.

Woman, Cult, and Miracle Recital Marla J. Selvidge, 1990. This work's exegesis of the miracle story about a hemorrhaging woman shows woman to be a significant community member, role determiner, and voice of God to the ancient Christian communities.

The Mark Commentary Collection David E. Garland, Mark L. Strauss, Walter W. Wessel, 2016-12-20. This Mark commentary bundle features volumes from the NIV Application Commentary

Series Zondervan Exegetical Commentary Series and Expositor's Bible Commentary series authored by David E Garland Mark L Strauss and Walter W Wessel The diverse features from each of the volumes gives you all the tools you need to master the book of Mark Following God Through Mark Ira Brent Driggers,2007-01-01 Ira Brent Driggers examines the character of God as portrayed in the Gospel of Mark paying particular attention to the way God factors into the unfolding conflict between Jesus and his disciples Arguing that Mark depicts God as acting in two logically opposite ways both independently of Jesus as a distinct character and through Jesus possessing him from his baptism he adds a level of complexity to Mark's portrayal of Jesus and sheds new light on the most enigmatic feature of Mark's narrative the consistent and troubling misunderstanding of the disciples *The Quest for Mark's Sources* Thomas P. Nelligan,2015-07-07 The question of the relationship between the Gospel of Mark and letters of Paul has been ever present in New Testament scholarship but has never been fully explored This monograph seeks to probe further into this question through an examination of the literary relationship between sections of Mark and 1 Corinthians Nelligan explores the context of these texts in Greco Roman and Jewish literature adopting the view that New Testament authors use imitation with a sophisticated use of literary sources as a major technique in their composition He proposes a new set of criteria for judging literary dependence that builds upon and advances those already promoted by biblical scholars Sections of Mark and 1 Corinthians are then compared and analyzed including the Eucharist accounts given in both texts By analyzing and comparing sections of Mark and 1 Corinthians most notably the account of the Eucharist in both texts Nelligan argues Mark used 1 Corinthians as a literary source and that this was done using well established literary techniques used in the wider Greco Roman and Jewish literary world
