The Poetry of Lifting Potatoes To ask a farmer of poetry is a strange request worse yet a potato farmer I have known Horia for a long time to a time before either of us imagined being grandfathers We were compatriots in what is the durable and subtle empire of the potato He a researcher I the actual dirtball As fellow writers we were a touch odd for our earthy environment whence came a certain compassion for each other Of a poet caught or perhaps trapped in this hectic grimy business of agriculture As an essayist I m not well mannered compared to the spare words of the poet As a story writer I do approach words rather like a Lenco potato harvester comes to the harvest In bulk form Lots of words though I d never admit to excess Decent people do not recognize the Lenco reference In practice a farm machine the size of a nice house wheels the size of small sheds propelled by traction motors capable of lifting off the face of the earth every fall to avail the potatoes laying beneath A Lenco is not a poetic thing Monstrosities are not often seen as poetic This machine hogs the town road Impatient drivers honk at it The Lenco disembowels the earth 12 rows at a time It bellows It smokes It smells It leaks It works It isn t poetic Poetry is a potato fork I have several With a fork you feel the earth feel gravity feel the lifting feel the worms feel the soil feel the sweat feel the tilth And if you are like Horia and me feel the godliness of the potato This book of poems by Horia is not that monster Lenco instead a potato fork Poetry equipped with a short handle to feel the gravity of our lives its worms its tilth A forkful at a time digging is necessary and in the lifting to feel the earth s desire These words of this potato researcher I m so honored to know and call friend Justin Isherwood writer and potato farmer in Plover Township below the moraine where all the streams run west      *The Poems of Lady Mary Wroth* Josephine A. Roberts,1992-09-01

Although her poems are little know today Lady Mary Wroth was one of the most accomplished women writers of the English Renaissance Her poems were circulated among many of the leading authors of her time including Ben Johnson who praised her work for its profound understanding of the nature of romantic love Lady Mary s sonnet cycle Pamphilia to Amphilanthus was the first English sequence to be written from a women s perspective The Countesse of Montgomery s Urania her romance interspersed with poetry was one of the first works of prose fiction to be composed by an Englishwoman In this complete edition of Lady Mary Wroth s verse Josephine Roberts has brought together

and annotated all 192 of the surviving poems many of which have never been published before As the eldest daughter of Sir Robert Sidney and Lady Barbara Gamage Lady Mary took great pride in the Sidney literary heritage During the years of her marriage she assumed the roles of both poet and patron an example set for her by her father and her more famous uncle Sir Philip Sidney She further followed the precedent of her uncle by choosing for her own work the artistic forms that he had favored the sonnet sequence pastoral romance and pastoral drama As a young woman Lady Mary belonged to Queen Anne s intimate circle but in the years following her husband s death she suffered a precipitous decline in social status She violated the social taboos of her age by becoming the mistress of her first cousin William Herbert earl of Pembroke and bearing him two illegitimate children Her artistic efforts aroused equal controversy when after the publication of her prose romance the Urania several prominent noblemen attacked her for portraying their private lives under the guise of fiction Despite these obstacles and the added burden of the unpaid debts that were the legacy of her disappointing marriage Lady Mary maintained an independent spirit and trusted in an ability to make her own decisions In her prose works she lashed out at the hypocrisies of life at court in her poetry she wrote of more personal concerns the treacherousness of emotion the eternal elusiveness of love Rising above well worn Elizabethan conceits the best of Lady Mary s poems reveal an ambivalence toward romance and a wise understanding of the vicissitudes of human emotion      Scattered Snows, to the North Carl

Phillips,2024-08-06 An arresting study of memory perception and the human condition from the Pulitzer Prize winner Carl Phillips Carl Phillips s Scattered Snows to the North is a collection about distortion and revelation about knowing and the unreliability of a knowing that s based on human memory If the poet s last few books have concerned themselves with power this one focuses on vulnerability the usefulness of embracing it and of releasing ourselves from the need to understand our past If we remember a thing did it happen If we believe it didn t does that make our belief true In Scattered Snows to the North Phillips looks through the window of the past in order to understand the essential sameness of the human condition Tears were tears mistakes were made and regretted or not regretted and it mattered until it didn t the way people live until they don t And there was also joy And beauty Yet the world s still so beautiful Sometimes it is And it was enough And it still can be

**The Idea of North** Doug Linder,2022-08-01 The poetry of Doug Linder is characterized by plain speech empathy wit and a penchant for taking readers to surprising places The Idea of North brings together more than fifty poems set in the North Country Is it a place or is it an idea Linder s poetic imaginings wander the North from the polar bear prowled streets of Churchill to hot springs under Montana s big sky but he returns most often to the place he knows best Minnesota s distinctive North Shore the wild lands north of Lake Superior Many of these playful poems consider wildlife you ll find poems about lynx moose wolves and woodpeckers and the natural world lichens dragonflies northern lights but the collection also includes poems about such diverse subjects as curling maple syrup taconite plants second homes and a gas station designed by Frank Lloyd Wright Deftly mixing deep insights and play this is a poetry book even for people who thought they didn t like

poetry Book Review Doug Linder has a most definite idea about the North especially the area Midwesterners refer to as The North Shore It s an idea that comes from years of roaming the shores of Lake Superior getting to know its people towns wildlife and traditions an idea rooted in sheer love for a place out In the Middle of Nowhere What is the best way to preserve something amazing and beautiful What is the best way to share it Linder finds making poetry suitable for both in one of his spot of time poems he tells his twenty three year old self to memorize a meeting with a lone wolf Remember his amber eyes and his leisurely lope across the snow covered tundra Forty years later he remembers how the moment pierced him setting him on fire Such transfers of experience fill the collection as the narrator looks for ways to pass his sense of place down to the next generation and the next We want them to love what we love he admits and happily for us the poems in The Idea of North bring us a long way there Joyce Sutphen poet laureate of Minnesota 2011 2021 and author of Carrying Water to the Field and This Long Winter

**The Poems of Optatian** Linda Jones Hall,2024-01-11 For the first time the poems and accompanying letters of Publilius Optatianus Porfyrius Optatian are published here with a translation and detailed commentary along with a full introduction to Optatian s work during this period Optatian was sent into exile by Constantine sometime after the Emperor s ascent to power in Rome in 312 AD Hoping to receive pardon Optatian sent a gift of probably twenty design poems to Constantine around the time of the ruler s twentieth anniversary 325 326 AD To enable the reader to experience the multiple messages of the poems the Latin text is presented near the English translation with any related design close by Some poems laid out on a grid of up to 35 letters across and down have an interwoven poem marking key letters in the primary poem thereby revealing a highlighted image Some designs include the Chi Rho or numerals created from V s and X s to mark imperial anniversaries Other previously unrecognised designs seem to represent senatorial imperial military or bureaucratic motifs or to derive from coin images Shape poems representing a water organ an altar and a panpipe reveal their relevance immediately The introduction and commentary elucidate literary allusions from over 100 authors lines from Vergil Ovid Lucan Silius Italicus Statius and lesser known writers abound and mythological references mostly to the Muses and Apollo Optatian s prestige as an official in both Greece and Rome is well attested these poems mark Optatian as a fascinating writer of his time holding onto the classical past while acknowledging Christian symbolism
