North Carolina History An Annotated Bibliography

Timothy J. Meagher

North Carolina History An Annotated Bibliography:

North Carolina History ,1995-01-24 With more than 11 000 entries this volume is the first extensive bibliography of North Carolina to incorporate books pamphlets articles from hundreds of journals and theses and dissertations from scores of universities Using the incomparable holdings of the North Carolina Collection as well as other libraries and institutions Jones includes entries dating from the first written description of North Carolina in 1524 through 1992 Entries are arranged by chronological period then by subject with author and subject indexes providing further access Entries are arranged by chronological period then by subject with author and subject indexes providing further access Among the sources included are some that are seldom found in state bibliographies such as soil surveys of the counties and articles in small journals such as The North Carolina Booklet A separate chapter features more than 3 000 entries by county Another chapter identifies libraries archives and manuscript repositories museums and historic sites

The History of Maritime North Carolina
William N. Still,1976

A Bibliography of American Natural History: An annotated bibliography of the publications relating to the history, biography and bibliography of American natural history and to institutions, during colonial times and the pioneer century, which have been published up to 1924; with a classified subject and geographic index; and a bibliography of bibliographies Max Meisel,1924 Subtitle The role played by the scientific societies scientific journals natural history museums and botanic gardens state geological and natural history surveys federal exploring expeditions in the rise and progress of American botany geology mineralogy palentology and zoology

A Bibliography of American Natural History: An annotated bibliography of the publications relating to the history, biography, and bibliography of American natural history and its institutions, during colonial times and the pioneer century, which have been published up to 1924; with a classified subject and geographic index; and a bibliography of bibliographies Max Meisel,1924

A History of North Carolina in the Proprietary Era, 1629-1729

Lindley S. Butler,2022-03-10 In this book Lindley S Butler traverses oft noted but little understood events in the political and social establishment of the Carolina colony In the wake of the English Civil Wars in the mid seventeenth century King Charles II granted charters to eight Lords Proprietors to establish civil structures levy duties and taxes and develop a vast tract of land along the southeastern Atlantic coast Butler argues that unlike the New England theocracies and Chesapeake plantocracy the isolated colonial settlements of the Albemarle the cradle of today s North Carolina saw their power originate neither in the authority of the church nor in wealth extracted through slave labor but rather in institutions that emphasized political legal and religious freedom for white male landholders Despite this distinct pattern of economic legal and religious development however the colony could not avoid conflict among the diverse assemblage of Indigenous European and African people living there all of whom contributed to the future of the state and nation that took shape in subsequent years Butler provides the first comprehensive history of the proprietary era in North Carolina since the nineteenth century offering a

substantial and accessible reappraisal of this key historical period

Beaufort, North Carolina 1899-1999 Douglas Arthur Wolfe, 2000

A History of the Federal Biological Laboratory at Reference Sources in History Ronald H. Fritze, Brian E. Coutts, Louis A. Vyhnanek, 2004-03-09 Fully annotated and completely updated the most comprehensive guide to reference books in the field of history Reference Sources in History catalogs atlases encyclopedias dictionaries handbooks sourcebooks bibliographies and chronologies and makes sense of it all Its broad scope and systematic organization make it an accessible reliable resource for experienced and inexperienced researchers alike Fully annotated and updated the new edition summarizes hundreds of reference works on every conceivable subject in history from ancient to modern from Afghanistan to Zimbabwe This edition also reflects the dramatic impact of the digital revolution on historical research by integrating a wide range of Internet and CD ROM sources Reference Sources in History is a time saving alternative to searching the reference stacks or getting lost in an online thicket of dubious historical websites

North Carolina County Fact Book Beverly Tetterton, 1999

A Bibliography of Tennessee History, 1973-1996 W. Calvin Dickinson, Eloise R. Hitchcock, 1999 With some 6 000 entries A Bibliography of Tennessee History will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee s rich and colorful past A sequel to Sam B Smith s invaluable 1973 work Tennessee History A Bibliography this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state s history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women s history and African American history two areas in which scholarship has proliferated during the past two decades The history of entertainment in Tennessee is also well represented in this volume including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South

Radical Reform Deborah Beckel, 2010-12-08 Radical Reform describes a remarkable chapter in the American pro democracy movement It portrays the largely unknown leaders of the interracial Republican Party who struggled for political civil and labor rights in North Carolina after the Civil War In so doing they paved the way for the victorious coalition that briefly toppled the white supremacist Democratic Party regime in the 1890s Beckel provides a nuanced assessment of the

distinctive coalitions built by black and white Republicans as they sought to outmaneuver the Democratic Party She demonstrates how the dynamic political conditions in the state from 1850 to 1900 led reformers of both races to force their traditional society toward a more radical agenda By examining the evolution of anti elitist politics and organized labor in North Carolina Beckel brings a new understanding to party factionalism of the 1870s and 1880s As racial conditions deteriorated across America in the 1890s North Carolina Republicans forged a fragile coalition with Populists While this interracial pro democracy movement proved triumphant by 1894 it carried the seeds of its ultimate destruction The South in the Revolution, 1763-1789 John Richard Alden,1957-10-01 In 1763 the oppressive program of Grenville set up a tempo of resentment Virginia and Maryland soon struck against the abuse of liberty with Patrick Henry as their spokesman Rioting followed the Carolinas and Georgia With the Townshend Acts of 1767 the crisis worsened In nine more years the Tea and Trumpets period to use Mr Alden s phrase would explode into the Revolution These events form but a single bright strand in the intricate story of the South during the Revolution This volume the first complete account yet written of an exciting period ranges from the demography of the South including White Negro and Indian groups through the War of Independence into the critical early years of the Union The emphasis throughout is upon political and social change The network of historic conditions and human motives is treated with consummate skill and the heroic story of the war with its gallery of personalities on both sides is vigorously narrated The book also gives a valuable account both of the origins and evolution of Southern sectionalism and of the role of the South in creating the Union Besides the full scale record of the colony states on the Atlantic seaboard the development of the Old Southwest is brilliantly detailed including Indian warfare the settlement of Kentucky and Tennessee and many other related topics **Doing Oral History** Donald A. Ritchie,2003 Contains chapters on the discipline of oral history especially as it relates to public history starting an oral history project including funding staffing equipment processing and legal concerns conducting interviews using oral history in research and writing including publishing videotaping oral history and more **Handbook for Research in American History** Francis Paul Prucha,1994-01-01 When the Handbook for Research in American History was first published reviewers called it an excellent tool for historians of all interests and levels of experience simple to use and concisely worded Western Historical Quarterly and an excellent work that fulfills its title in being portable yet well filled Reference Reviews The Journal of American History added It is not easy to produce a reference work that is utilitarian and enriching and does not duplicate existing works Professor Prucha has done the job very well This second revised edition takes account of the revolution that is occurring in bibliographic science as printed reference works extend to electronic databases CD ROMs and online networks such as the Internet Focusing on and expanding the major section of the original Handbook it provides information on traditional printed works describes new guides and updated versions of old ones notes the availability of reference works and of some full text sources in electronic form and discusses the usefulness to researchers of different kinds of material and the

forms in which they are available Extensive cross referencing and a detailed index that includes authors subjects and titles enhance the book s usefulness **The North Carolina Historical Review** ,2004 Resources in Education ,1994 Serves as an index to Eric reports microform **Territories of History** Sarah H. Beckjord,2010-11-01 **The Southern Colonies in the Seventeenth Century, 1607--1689** Wesley Frank Craven,2015-12-03 This book is Volume I of A HISTORY OF THE SOUTH a ten volume series designed to present a balanced history of all the complex aspects of the South s culture from 1607 to the present Like its companion volumes The Southern Colonies in the Seventeenth Century was written by an outstanding student of Southern history In the America of the sixteenth and seventeenth centuries just what was Southern The first colonists looked upon themselves as British and only gradually did those attitudes and traditions develop which were distinctively American To determine what was Southern in the early colonies Professor Craven has searched for those features of early American society which distinguished the South in later years and those features of early American history which help the Southerner to understand himself The Chesapeake colonies Virginia and Maryland formed the first Southern community These colonies grew out of the same interest which directed European imperialism toward Africa and the West Indies notably the production of sugar silk wine and tobacco Craven studies the social economic and political development of the Southern colonies as the product of continuing European rivalries that resulted in the colonization of Carolina and Florida Major emphasis however is placed upon British expansion since Anglo Saxon influence was dominant in the formation of the South as a region Craven sees as crucial the middle period of the seventeenth century Out of the political and social unrest which characterized these years emerged the points of view which gave shape to the American and the Southern tradition **Annual Report of the American Historical Association** American Historical Association,1915 **The Columbia Guide to Irish American History** Timothy J. Meagher,2005-09-14 Once seen as threats to mainstream society Irish Americans have become an integral part of the American story More than 40 million Americans claim Irish descent and the culture and traditions of Ireland and Irish Americans have left an indelible mark on U S society Timothy J Meagher fuses an overview of Irish American history with an analysis of historians debates an annotated bibliography a chronology of critical events and a glossary discussing crucial individuals organizations and dates He addresses a range of key issues in Irish American history from the first Irish settlements in the seventeenth century through the famine years in the nineteenth century to the volatility of 1960s America and beyond The result is a definitive guide to understanding the complexities and paradoxes that have defined the Irish American experience Throughout the work Meagher invokes comparisons to Irish experiences in Canada Britain and Australia to challenge common perceptions of Irish American history He examines the shifting patterns of Irish migration discusses the role of the Catholic church in the Irish immigrant experience and considers the Irish American influence in U S politics and modern urban popular culture Meagher pays special attention to Irish American families and the roles of men and women the emergence of the Irish as a governing class in American politics the

paradox of their combination of fervent American patriotism and passionate Irish nationalism and their complex and sometimes tragic relations with African and Asian Americans Writings on American History ,1917

North Carolina History An Annotated Bibliography Introduction

In today's digital age, the availability of North Carolina History An Annotated Bibliography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of North Carolina History An Annotated Bibliography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of North Carolina History An Annotated Bibliography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing North Carolina History An Annotated Bibliography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, North Carolina History An Annotated Bibliography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing North Carolina History An Annotated Bibliography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for North Carolina History An Annotated Bibliography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, North Carolina History An Annotated Bibliography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of North Carolina History An Annotated Bibliography books and manuals for download and embark on your journey of knowledge?

FAQs About North Carolina History An Annotated Bibliography Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. North Carolina History An Annotated Bibliography is one of the best book in our library for free trial. We provide copy of North Carolina History An Annotated Bibliography in digital format, so the resources that you find are reliable. There are also many Ebooks of related with North Carolina History An Annotated Bibliography. Where to download North Carolina History An Annotated Bibliography online for free? Are you looking for North Carolina History An Annotated Bibliography PDF? This is definitely going to save you time and cash in something you should think about.
